NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2001

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

The company meets its day to day working capital requirements through an overdraft facility which is repayable on demand.

The nature of the company's business is such that there can be considerable unpredictable variation in the timing of cash inflows. On the basis of discussions with the company's bankers, the directors consider that the company will continue to operate within the facility currently agreed.

However, the margin of facilities over requirements is not large and, inherently there can be no certainty in relation to these matters. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable accounting standards.

1.3 Turnover

Turnover represents amounts receivable for goods and services.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Property Improvements	10% straight line
Farm equipment	20% of written down value.
Campsite equipment	20% of written down value.
Sheep quota	20% straight line.
