Directors' report for the year ended 31 March 2001

The directors present their report and financial statements for the year ended 31 March 2001.

Principal activities, review of developments and future prospects

The company is engaged in the design, procurement and construction of the nuclear supply system for Pressurised Water Reactors (PWRs). The company has completed its work on short term contracts; certain supplier commitments remain to be discharged.

Results and dividends

The result for the year after tax amounted to £Nil (2000: £Nil).

No dividend was paid or proposed (2000: £Nil).

Research and development

The company is involved in the application of known technologies and therefore is not at present engaged on any research and development activities.

Directors and their interests

The directors who served during the year were:

P R Kershaw
P N Lanigan
D F Kremen
R G Perez

None of the directors had any beneficial interest in any of the shares of the company at either the beginning or the end of the year.

None of the directors has a beneficial interest, other than in the ordinary course of business, in any contract which the company was a party to during the year.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. The directors are required to prepare financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors confirm that suitable accounting policies have been used and applied consistently. They also confirm that reasonable and prudent judgements and estimates have been made in preparing the financial statements for the year ended 31 March 2001, that applicable accounting standards have been followed and that it is appropriate to prepare the accounts on the going concern basis.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PWR Power Projects Limited

Auditors

The auditors, PricewaterhouseCoopers, have indicated their willingness to continue in office, and a resolution concerning their reappointment will be proposed at the Annual General meeting.

Auditors' report to the members of PWR Power Projects Limited

We have audited the financial statements on pages 5 to 10.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the annual report. As described on page 2 this includes responsibility for preparing the financial statements, in accordance with applicable United Kingdom accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the United Kingdom Companies Act. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

We read the other information contained in the annual report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 March 2001 and of its result for the period then ended and have been properly prepared in accordance with the Companies Act 1985.
