PWR POWER PROJECTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2025

1. Accounting policies

1.1 Basis of preparation of financial statements

PWR Power Projects Limited is a private Company, limited by shares and is incorporated and domiciled in England and Wales.

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 2).

No cash flow statement is presented as there have been no cash movements in the year and the cash balance is £nil at both 1 January and 31 December.

1.2 Going concern

The Directors, having made enquiries, consider that the Company has adequate resources to operate for the foreseeable future and, therefore, it is appropriate to continue to adopt the going concern basis in preparing the accounts.

1.3 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2. Judgements in applying accounting policies and key sources of estimation uncertainty

The Directors do not believe that the estimates and judgements contained in these accounts have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

3. Directors' remuneration

None of the Directors received any remuneration in respect of their services to the Company during the current or preceding financial year.
