NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2007

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows

Land and buildings Freehold	2% on cost on buildings
Plant and machinery	15% on reducing balance
Fixtures, fittings & equipment	15% to 25% reducing balance
Motor vehicles	25% on reducing balance

1.5 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.6 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.7 Stock

Stock is valued at the lower of cost and net realisable value.

1.8 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 248 of the Companies Act 1985 not to prepare group accounts.
