**REPORT OF THE GOVERNORS
FOR THE YEAR ENDED 31 JULY 2002**

The Governors, who are also the directors of the Charity for the purposes of the Companies Act and the trustees for the purposes of Charity law, present their report together with the audited financial statements for the year ended 31 July 2002.

OBJECTS OF THE CHARITY

The object of the Charity is to operate The Charles Kalms Henry Ronson Immanuel College which is an Orthodox Jewish Secondary School in Hertfordshire.

The College aims for the highest standards of academic excellence in both Jewish and secular studies. It aims to create in its pupils an integrated personality whose Jewish identity is knowledgeable, secure and proud, a spur to achievement and responsibility, and a challenge to exemplary citizenship in an ethically and religiously pluralistic society.

The College opened in September 1990 and occupies a twelve acre campus. The Charles Kalms Henry Ronson Immanuel College is an Independent Jewish Secondary School for boys and girls aged 11 to 18.

REVIEW OF ACTIVITIES

The Statement of Financial Activities is set out on pages 6 to 7 and shows the results for the year.

The college incurred charitable expenditure of £4,047,868 and the costs of generating funds was £24,858. After taking into account these expenses, the net incoming resources for the year were £88,195. This surplus has been achieved through an increase in fees to meet the strongly rising operating costs of the school. At 31 July 2002, as shown on the balance sheet on page 8, the college has net assets of £2,495,734 which were mainly held as fixed assets, as shown in note 8.

The school saw a 20% increase in student numbers from 389 in the 2000/2001 academic year to 466 day pupils in 2001/2002. Waiting lists are full and this gives us the confidence that the numbers of students will continue in the foreseeable future. This is a result of our continued resolve to keep up the academic standards in both Jewish and secular subjects, in an atmosphere of tolerance and integrity. The school achieved a 96% A level pass rate and a 99% GCSE pass rate for the academic year 2000/2001. The school has undertaken to make improvements to its land and buildings in phases, to accommodate more classrooms and better facilities for the increasing numbers of students.

RESERVES

Note 13 to the financial statements shows the assets and liabilities attributable to the various funds by type. The free reserves being the unrestricted funds not tied up in fixed assets were in deficit at the balance sheet date as seen in note 14 to the financial statements. It is the Board's intention that the free reserves held by the charity should be between 3 and 6 months of the resources expended, £750,000 to £1million. The board intend to reach this reserve policy by increasing pupil numbers. This reserve will provide sufficient resources in the event of unforeseen circumstances. The Board has continued to keep the secured overdraft facility under review to ensure that in the absence of free reserves, it remains adequate to cover the college's working capital requirements.

REPORT OF THE GOVERNORS
FOR THE YEAR ENDED 31 JULY 2002

GOVERNORS AND ORGANISATION

The Governors of the Charity during the year were:

R C Taylor (Chairman)	J M Lewis
H E Knobil (resigned 21 October 2002)	M J Teacher
C J Morris	Mrs R Cohen
Sir H Solomon	Prof. S Reif
Mrs E Kornbluth	R Bloom (appointed 25 October 2001)
M Dagul	M Lew (appointed 21 May 2002)
D Felsenstein	

The College has an active Governing Body, which participates in many aspects of the activities and is responsible for ensuring that the school adheres to its ethos and well-defined philosophy and operates within its agreed financial budgets.

The day to day running of the College, including those activities which are funded by the Charity, are delegated to the Headteacher and the Bursar.

The Board of Governors shall comprise the Chief Rabbi (ex officio), the Chairman, the Deputy Chairman, the *Honorary Treasurer* and up to thirteen other ordinary Governors. At any one time there should be a minimum of 5 but no more than 17 Governors on the board. With the exception of the position on the board for the Chief Rabbi, the Board shall appoint the Chairman, the Honorary Treasurer, the Deputy Chairman and the other ordinary Governors and in their absolute discretion, remove any such Governors. Every Governor (other than those holding office ex officio) shall hold office for a period of three years unless removed or disqualified or otherwise cease to hold office and shall be eligible for reappointment for further terms without limitation of three years each.

The College's Parents Teachers Association, is a separate body from the charity with its own financial standing and does not affect the day to day running of the charity.

Details of related party transactions are included in the notes to the financial statements.

GRANT- MAKING POLICY

This year, the value of scholarships, grants, prizes and other awards made to the College's pupils out of restricted funds amounted to £8,500 (2000/2001: £500). Furthermore, awards totalling almost £321,485 (2000/2001: £296,106) in bursaries and allowances were made from unrestricted funds.

The Governors' policy is to make these awards on the basis of the individual's educational ability, and their financial position, subject to the particular conditions imposed by the original donor where the award is out of restricted funds.

RISK MANAGEMENT

The Governors are in the process of considering the major risks to which the Charity may be exposed and will take the necessary steps to monitor and control these risks to mitigate any impact they may have on the Charity in the future.

REPORT OF THE GOVERNORS
FOR THE YEAR ENDED 31 JULY 2002

AUDITORS

AV Audit Limited were appointed as auditors to the company. On 2 July 2002 AV Audit Limited changed its name to HLB AV Audit plc. In accordance with section 385 of the Companies Act 1985, a resolution proposing that they be re-appointed will be put to the Annual General Meeting.

GOVERNORS' STATEMENT OF RESPONSIBILITIES

Company law requires the Governors to prepare financial statements that give a true and fair view of the state of affairs of the charity at the end of the financial year and of its surplus or deficit for the financial year.

In preparing those financial statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Governors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board of Governors and signed on behalf of the board on 25 April 2003

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
THE CHARLES KALMS HENRY RONSON IMMANUEL COLLEGE
(A Company Limited by Guarantee)**

We have audited the financial statements on pages 6 to 21 which have been prepared under the historical cost convention (as modified by the revaluation of certain fixed assets), and the accounting policies set out on pages 10 and 11.

This report is made solely to the company's members, as a body, in accordance with section 385 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have found.

RESPECTIVE RESPONSIBILITIES OF GOVERNORS AND AUDITORS

As described in the Statement of Governors' Responsibilities on page 4 the Governors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

It is our responsibility to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Governors' report is not consistent with the financial statements, if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding governors' remuneration and transactions with the charity is not disclosed.

We read the Governors' report and consider the implications for our report if we become aware of any apparent misstatements within it. Our responsibilities do not extend to any other information.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the governors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of affairs of the charity as at 31 July 2002 and of its incoming resources and application of resources, including its income and expenditure, in the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2002

1. Accounting policies

Accounting convention

The financial statements have been prepared under the historical cost convention (as modified by the revaluation of certain fixed assets), in accordance with the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP 2000) issued in October 2000, applicable accounting standards and the Companies Act 1985.

The format of the Statement of Financial Activities has been reviewed and amended in order to comply SORP 2000. Comparative figures have been amended accordingly.

Fund accounting

Funds held by the charity are either:

Unrestricted general funds – these are funds which can be used in accordance with the charitable objects at the discretion of the governors.

Designated funds – these are funds set aside by the governors out of unrestricted general funds for specific purposes or projects (note 12 and 14).

Restricted funds – these are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised for a particular purpose (note 13).

Incoming resources

Income is recognised in the period in which the Charity is entitled to receipt and the amount can be measured with reasonable certainty.

School fees are accounted for in the period in which the service is provided and are stated before deducting concessions, scholarships and bursaries granted by the College from its unrestricted funds and include contributions receivable from Restricted Funds for Scholarships.

Donations receivable for the general purposes of the Charity are included in unrestricted funds. Donations for activities restricted by the wishes of the donor are taken to "restricted funds" where these wishes are legally binding on the Governors.

Resources expended

Resources expended are accounted for on an accruals basis and include attributable VAT which cannot be recovered. All costs have been directly attributed to one of the functional categories of resources expended in the statement of financial activities.

Premises and support costs comprise all services supplied centrally, identifiable as wholly or mainly in support of the charitable objectives, and include an appropriate proportion of general overheads.

Management and administrative cost relate to the management of the Charity's assets, organisational administration and compliance with constitutional and statutory requirements.

Scholarships from restricted funds are included as expenditure in the period for which the award is given.

1. Accounting policies - continued

Tangible fixed assets and depreciation

The freehold of the school was purchased from the Jewish Education Development Trust in 1998 for £250,000 and was re-valued on an open market basis by James Andrew Professional Services Limited, a firm of independent Chartered Surveyors on 30 March 1999 at £2,800,000. The value of the land has been estimated at approximately 27.5% of this value. This value has been adopted as the historical cost under the transitional provisions of the Financial Reporting Standard 15. Building improvement and extensions subsequent to the revaluation are capitalised at cost. Other categories of assets are capitalised and carried at cost less accumulated depreciation.

Depreciation is provided to write off the cost, less estimated residual value, of all fixed assets except freehold land, over their expected useful lives. It is calculated at the following rates:

Freehold buildings	- 2% straight line
Furniture, fittings and equipment	- 15% reducing balance
Computer equipment	- 33% straight line
Books	- 33 % straight line
Motor vehicles	- 33 % straight line

Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Pensions

Teaching staff employed by the college are eligible for membership of the Teachers Pension Scheme, which is a national, statutory contributory, unfunded defined benefit scheme administered by the Teachers Pension Agency, an executive agency of the Department for Education and Employment. Pension costs are assessed in accordance with the advice of the Government Actuary.

The college also contributes to defined contribution schemes, the Jewish Memorial Council scheme and a scheme with Norwich Union in respect of teachers. Additionally, the college contributes to a defined contribution scheme with Norwich Union for non-teaching staff.

The pension costs charged in the statement of financial activities represent the contributions payable by the college during the year in accordance with FRS 17. The contributions to the Teachers Pension Scheme have been accounted for as if it were a defined contribution scheme as it meets the criteria of FRS 17 in respect of multi- employer schemes to do so.

General reserve	2,399,724	4,114,936	(4,046,906)	26,384	2,494,138

The general reserve fund represents those funds which are unrestricted and not designated for other purposes.

The designated fund represents the net book value of tangible fixed assets less the bank loan secured on those assets.

15. Pensions

Teachers are eligible to join the Teachers' Pension Scheme, which is a defined benefits scheme. Under the Teachers' Pension Scheme, teachers' contributions, on a pay-as-you go basis and employer's contributions are credited to the Exchequer. An annual account, the Teachers' Pension Account, is kept of receipts and expenditure. Any excess of income over expenditure is deemed to be invested in Government securities. Notional interest on the deemed investment is added to the Account, and the resultant balance is known as the Notional Fund. Expenditure debited to the Accounts excludes the cost of pension increases paid under the Pension (Increases) Act.

Every 5 years the Government actuary conducts an actuarial review of the Scheme, using normal actuarial principles. The cost of pension increases is excluded from the valuation and consequently neither teachers nor employers contribute to this added value, which is met directly by the Exchequer. During the year, the College contributed 8.35% of pensionable salaries to the scheme. The College's contributions are set in relation to the current service period only and the College is unable to identify its share of the underlying assets and liabilities of the scheme. The pension cost charge represents contributions payable by the College to the scheme and amounted to £94,716 in respect of this scheme. There is no available information about the existence of any surplus or deficit in the scheme to be able to ascertain the implications of any surplus or deficit for the college.

Contributions are also made in respect of teaching staff to defined contribution schemes, the assets of which are independently administered. The contributions made to the Jewish Memorial totalled £2,511 and that to Norwich Union amounted to £1,045.

Non-teaching staff are eligible to participate in a defined contribution scheme managed by Norwich Union. The assets of the scheme are held separately from the College in an independently administered fund. The pension cost charge in respect of this scheme amounted to £3,637 during the year.

There were no amounts unpaid or prepaid to any of the schemes at the year end.
