Director's Report

The director presents his report and financial statements for the year ended 30 April 2003.

Principal activities

The company's principal activity during the year continued to be that of hoteliers.

Results and dividends

The results for the year are set out on page 4 of these financial statements. The director does not recommend the payment of a dividend.

Statement of Director's Responsibilities

Company law requires the director to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those accounts, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Director and Director's interests

Mr H Al-Nakeeb was the only director who served the company throughout the year under review and held no shares of the company at the beginning and end of the year.

Auditors

A resolution to reappoint Rawi & Co. as auditors will be put to the members at the Annual General Meeting.

Small company special provisions

The report of the director has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

This report was approved by the board on 14.04.04

Metmix Limited

Independent auditors' report to the shareholders of Metmix Limited

We have audited the accounts of Metmix Limited for the year ended 30 April 2003 which comprise pages 4 to 9. These accounts have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any one other than the company and the company's members as a body, for our audit work, for this report, or for the opinion we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Director's Responsibilities, the company's director is responsible for the preparation of the accounts in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Director's Report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Director's Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30 April 2003 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Financial Statements as at 30 April 2003

1 Accounting policies

Accounting convention

The accounts have been prepared under the historical cost convention and in accordance with *The Financial Reporting Standard for Smaller Entities (effective June 2002)*

Depreciation

Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Freehold buildings	over 50 years
Leasehold land and buildings	over the lease term
Plant and machinery	20% - reducing basis

Stocks

Stock is valued at the lower of cost and net realisable value.

Deferred taxation

Deferred taxation is provided on the liability method on all timing differences which are expected in the foreseeable future, calculated at the rate at which it is estimated that the tax will be payable.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and depreciated over their useful lives.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

2 Turnover

Turnover, which is stated net of value added tax, represents amounts invoiced to third parties.

3 Operating profit
