Responsibilities of the Directors

Company law requires the Directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and to enable them to

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30TH SEPTEMBER 2014

1. Accounting policies

The financial statements have been prepared on the historical cost basis of accounting and in accordance with applicable Accounting Standards in the United Kingdom. The accounting policies have been applied consistently.

Turnover comprises of the invoiced value of goods and services supplied by the Company, net of Value Added Tax.

The Company has taken advantage of the exemption provided by Financial Reporting Standard 1 and has not prepared a cashflow statement for the year.

Depreciation and diminution in value of assets

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Leasehold improvements	-The period of the lease
Fixtures and fittings	- 3 to 10 years on cost

Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowances for obsolete and slow moving stocks. Cost includes all direct costs.

Leasing

Rentals payable under operating leases are charged to the profit and loss account as incurred.

Goodwill

Goodwill is the difference between the amount paid on the acquisition of the business and the aggregate fair value of its separate net assets. It is being written off in equal annual instalments over its estimated economic life.
