JBJ INSULATIONS LIMITED**Auditors' report to
JBJ Insulations Limited
under section 247B of the Companies Act 1985**

We have examined the abbreviated financial statements set out on pages 2 to 4, together with the financial statements of the company for the year ended 31st July 1999 prepared under section 226 of the Companies Act 1985.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated financial statements in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated financial statements prepared in accordance with sections 246(5) and (6) of the Act to the registrar of companies and whether the financial statements to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of opinion

We have carried out the procedures we considered necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements to be delivered are properly prepared. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated financial statements prepared in accordance with sections 246(5) and (6) of the Companies Act 1985, and the abbreviated financial statements on pages 2 to 4 are properly prepared in accordance with those provisions.

NOTES ON ABBREVIATED FINANCIAL STATEMENTS

31st July 1999

1 Accounting policies**Basis of accounting**

The financial statements have been prepared under the historical cost accounting rules.

The company has taken advantage of the exemption from preparing a cash flow statement as conferred by Financial Reporting Standard No. 1 (Revised 1996) on the grounds that it qualifies as a small company under the Companies Act 1985.

Turnover

Turnover represents the amount derived from the provision of goods and services falling within the company's activities after deduction of trade discounts and value added tax.

Depreciation

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows:

Plant and machinery	20% straight line
Motor vehicles	25% straight line
Fixtures and fittings	20% straight line

Leases and hire purchase contracts

Tangible fixed assets acquired under finance leases and hire purchase contracts are capitalised at the estimated fair value at the date of inception of each lease or contract. The total finance charges are allocated over the period of the lease in such a way as to give a reasonably constant charge on the outstanding liability.

Rentals paid under operating leases are charged to income as incurred.

Stocks and work in progress

Stocks are valued at the lower of cost and net realisable value. Cost is computed on a first in first out basis. The cost of work in progress and finished goods includes all production overheads and depreciation and the attributable proportion of indirect overheads based on the normal level of activity. Net realisable value is based on estimated selling price less the estimated cost of disposal.

Deferred taxation

Deferred taxation is provided on the liability method in respect of the taxation effect of all timing differences to the extent that tax liabilities are likely to crystallise in the foreseeable future.

Pensions - Defined contribution scheme

Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.
