Director's responsibilities for the financial statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company. In preparing those financial statements, the directors are required to:-

- select suitable accounting policies and then apply them consistently
- make judgements that are reasonable and prudent
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records for safeguarding the assets of the company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.
