Directors' responsibilities statement

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ROPETUNE (BRISTOL) LIMITED

Independent auditor's report to the shareholders of Ropetune (Bristol) Limited

We have audited the financial statements of Ropetune (Bristol) Limited for the year ended 30 June 2012, set out on pages 5 to 10. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Auditing Practices Board's website at www.frc.org.uk/apb/scope/private.cfm.

Basis for qualified opinion on financial statements

As explained in note 1, investment properties have been included in the financial statements at cost less any provision for impairment rather than open market value as required by Statement of Standard Accounting Practice No 19 'Accounting for investment properties'. We are unable to quantify the effect, if any, on reserves and tangible fixed assets of this non-compliance with accounting standards.

Except for the failure to include investment properties at open market value in our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 June 2012 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditor's report to the shareholders of Ropetune (Bristol) Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to prepare the financial statements and the directors' report in accordance with the small companies' regime

ROPETUNE (BRISTOL) LIMITED

Notes to the financial statements for the year ended 30 June 2012

1 Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention, and with the exception of investment properties (see below), are in accordance with applicable accounting standards

1.2 Going concern

The directors have prepared the financial statements on a going concern basis notwithstanding the fact that the company has net current liabilities

The company has received a letter of financial support from The Tannen Group Limited, its ultimate parent company, confirming that it will provide financial support to the company for the foreseeable future to enable it to meet its obligations and liabilities as they fall due

On the basis of the above the directors are of the opinion that it is appropriate to prepare the financial statements on a going concern basis

1.3 Cash flow

The company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw up a cash flow statement in accordance with FRS 1

1.4 Turnover

Turnover represents gross rental income received from the letting of property. Rent reviews are only recognised as income once the review has been settled, agreed and concluded

1.5 Investment properties

Investment properties are stated in the balance sheet at cost less any provision for impairment. This treatment is not in accordance with Statement of Standard Accounting Practice No 19 which requires such properties to be stated at their open market value. The directors consider the cost of obtaining a valuation would outweigh the benefit to the users of the financial statements

No provision has been made for depreciation on these properties. The directors consider that this accounting policy results in the financial statements giving a true and fair view. The effect of this departure from the Companies Act 2006 has not been quantified because it is impractical and, in the opinion of the directors, would be misleading

1.6 Deferred taxation

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date except that

- deferred tax is not recognised on timing differences arising on revalued properties unless the company has entered into a binding sale agreement and is not proposing to take advantage of rollover relief, and
- the recognition of deferred tax assets is limited to the extent that the company anticipates to make sufficient taxable profits in the future to absorb the reversal of the underlying timing differences

Deferred tax balances are not discounted

ROPETUNE (BRISTOL) LIMITED

Notes to the financial statements for the year ended 30 June 2012

2 Turnover

The whole of the turnover is attributable to rental income

All turnover arose within the United Kingdom

3. Operating profit

During the year, no director received any emoluments (2011 - £NIL)

The directors' emoluments are paid by another group company and disclosed in the financial statements of that company. Auditors' remuneration is also paid by another group company and disclosed in its financial statements
