FAIRHOLD (HUDDERSFIELD) LIMITED

DIRECTORS' REPORT

The directors present their report and the financial statements for the year ended 31 December 2019.

Principal activity

The principal activity of the company during the year was that of property dealing.

Business review

The directors are satisfied with the financial position of the company at the year end. The results for the year are shown in the statement of comprehensive income on page 6. The directors do not expect there to be significant future developments which could adversely impact the business.

Properties held for resale

The properties held for resale are included in the financial statements at a cost of £2,783,486 (2018: £2,893,205) as at 31 December 2019.

Results and dividends

The statement of comprehensive income is set out on page 6 and shows the results for the year. The profit for the year amounted to £609,078 (2018: £649,404). The directors do not recommend the payment of a final dividend (2018: £Nil).

Directors

The following directors have held office during the year and up until the point of signing the financial statements:

W K Procter
C C McGill
P A Hallam
M D Watson

(Appointed: 10 July 2019)
(Appointed: 22 February 2021)

FAIRHOLD (HUDDERSFIELD) LIMITED

DIRECTORS' REPORT (continued)

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- a. select suitable accounting policies and then apply them consistently;
- b. make judgements and accounting estimates that are reasonable and prudent;
- c. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure of information to auditor

The directors who were in office on the date of approval of these financial statements have confirmed that, as far as they are aware, there is no relevant audit information of which the auditor is unaware. The directors have confirmed that they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

Insurance of Company Officers

The company has maintained insurance throughout the year for its directors and officers against the consequences of actions which may be brought against them in relation to their duties for the company.

Auditor

The auditor, RSM UK Audit LLP, Chartered Accountants, has indicated its willingness to continue in office.

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption. The directors have also taken the available exemption from the requirement to prepare a strategic report.

On behalf of the Board:

P A Hallam
Director

25/3/ 2021

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FAIRHOLD (HUDDERSFIELD) LIMITED

Opinion

We have audited the financial statements of Fairhold (Huddersfield) Limited (the 'company') for the year ended 31 December 2019 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FAIRHOLD (HUDDERSFIELD) LIMITED (continued)

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- the company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the directors' report.

Responsibilities of directors

As explained more fully in the statement of directors' responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

FAIRHOLD (HUDDERSFIELD) LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2019

1. Accounting policies

Company information

Fairhold (Huddersfield) Limited ("the Company") is a private company limited by shares, domiciled and incorporated in England. The address of the Company's registered office and principal place of business is Berkeley House, 304 Regents Park Road, London, N3 2JX. The principal activity of the company during the year was that of property dealing.

1.1 Basis of accounting

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies' regime, and under the historical cost convention. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

With effect from 1 January 2019 the company has adopted the amendments to FRS 102 published in the Triennial Review 2017. There are no adjustments to the current or comparative period in relation to this amendment.

1.2 Consolidated financial statements

The company has taken advantage of the exemption under section 399 of the Companies Act 2006 not to prepare consolidated financial statements, on the basis that the group of which this company is the parent qualifies as a small group. The financial statements present information about the company as an individual entity and not about its group.

1.3 Going concern

The company's principal debtor, Fairhold Holdings Limited, has agreed to pay down its balance to the extent required to ensure the company can meet its running costs for the foreseeable future, being at least 12 months from the date of signing these financial statements. If necessary, a related party, Fairhold Services Limited has also agreed to provide limited financial support to enable the company to meet day to day running costs incurred in the ordinary course of business for a period of up to 12 months from the date of signing these financial statements.

As a result of the above the directors have assessed the operation of the company and, have determined that the company has, or can expect to have, sufficient working capital for its needs for at least 12 months from the date of approval of these financial statements. In view of this the directors consider it appropriate for the financial statements to be prepared on a going concern basis.

For the reasons disclosed in the post balance sheet events note on page 16 the directors do not believe the COVID-19 pandemic will have an impact on the company's ability to continue as a going concern.

1.4 Functional and presentational currencies

The financial statements are presented in sterling which is also the functional currency of the Company.

FAIRHOLD (HUDDERSFIELD) LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2019

1.5 Turnover

Turnover comprises the sale proceeds of trading stocks. Profit on the sale of properties is recognised on agreement of the sale.

Turnover is recognised at the fair value of the consideration received or receivable for the sale of property to external customers in the ordinary nature of the business. Turnover is shown net of value added tax.

1.6 Other operating income

Rental income is recognised in accordance with the terms of the lease and is presented within other operating income.

Other income represents lease extension premiums and other ancillary income received on leases held by the company.

1.7 Fixed asset investments

Interests in subsidiaries are initially measured at cost and subsequently measured at cost less any accumulated impairment losses.

Interests in subsidiaries are assessed for impairment at each reporting date. Any impairment losses or reversals of impairment losses are recognised immediately in profit or loss.

1.8 Stocks

Properties acquired with a view to resale are identified as trading stock and stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises the cost of acquisition including directly attributable fees and expenses, excluding finance costs which are written off to the statement of comprehensive income.

At each reporting date, the company assesses whether stocks are impaired or if an impairment loss recognised in prior periods has reversed. Any excess of the carrying amount of stock over its estimated selling price less costs to complete and sell is recognised as an impairment loss in the statement of comprehensive income.

Reversals of impairment losses are also recognised in the statement of comprehensive income.

1.9 Taxation

The tax expense represents the sum of the current tax expense and deferred tax expense. Current tax assets are recognised when tax paid exceeds the tax payable.

Current tax is based on taxable profit for the year. Taxable profit differs from total comprehensive income because it excludes items of income or expense that are taxable or deductible in other periods. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date. Deferred tax is not discounted.

1.9 Taxation (continued)

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date. Timing differences are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in different periods from their recognition in the financial statements. Deferred tax assets are recognised only to the extent that it is probable that they will be recovered by the reversal of deferred tax liabilities or other future taxable profits.

Current and deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income, or equity.

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset, if and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

1.10 Financial instruments

The Company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102, in full, to its financial instruments.

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument, and are offset only when the company currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets

Trade debtors

Trade debtors which are receivable within one year and which do not constitute a financing transaction are initially measured at the transaction price. Trade debtors are subsequently measured at amortised cost, being the transaction price less any amounts settled and any impairment losses.

Financial liabilities and equity

Financial instruments are classified as liabilities and equity instruments according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Creditors

Creditors payable within one year that do not constitute a financing transaction are initially measured at the transaction price and subsequently measured at amortised cost, being the transaction price less any amounts settled.

Where the arrangement with a creditor constitutes a financing transaction, the creditor is initially and subsequently measured at the present value of future payments discounted at a market rate of interest for a similar instrument.

FAIRHOLD (HUDDERSFIELD) LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2019

1.10 Financial instruments (continued)

Derecognition of financial assets and liabilities

A financial asset is derecognised only when the contractual rights to cash flows expire or are settled, or substantially all the risks and rewards of ownership are transferred to another party, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party. A financial liability (or part thereof) is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

1.11 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

In preparing these financial statements, the directors have made estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Valuation of stock

The Government, through the Department for Communities and Local Government, now known as the Ministry for Housing, Communities and Local Government (MHCLG), the Competitions and Markets Authority (CMA) and the Law Commission, has undertaken a series of consultations on and reviews of the residential property market with a focus on the legal framework surrounding the freehold and leasehold classes of property interests. In January 2021, an announcement was released by the MHCLG on a number of proposed changes to the law governing leasehold enfranchisement. These proposals, which have not yet been enacted, include changes to the rights of leaseholders in relation to leasehold extensions and freehold purchases as well as changes to the manner in which ground rent would subsequently be determined. The implementation of legislative changes arising from these reforms could materially reduce the level of income generated by the portfolio of properties.

The directors are of the view that the proposed changes would be very damaging to the residential property market and against the interests of consumers and other property owners. The directors have engaged actively in the consultations and with other stakeholders and interested parties in order to convey the group's opposition to the current proposals. Recent public announcements by government and in the Law Commission's report have recognised that any proposals to make wholesale reforms retrospectively pose real problems with respect to the contravention of human rights legislation. As such the impact of reforms will be greatest for future leases and not those already in existence.

However, the financial consequences of any changes are too uncertain to enable the directors to reasonably estimate the impact of such changes. It is assumed that the net realisable value of these assets, which are held as stock in these financial statements, remains higher than their cost.

FAIRHOLD (HUDDERSFIELD) LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2019

2. Turnover	2019	2018

	<u>2,230,441</u>	<u>1,509,347</u>

There are no fixed terms of repayment of the amounts owed by holding company. Interest is charged at 3-month Libor +1%. Despite the loan being repayable on demand it is not the intention for the loan to be recalled within one year.

11. Creditors: amounts falling due within one year	2019 £	2018 £
Accruals and deferred income	22,345	20,048
	<u>22,345</u>	<u>20,048</u>

12. Share capital and reserves	2019 £	2018 £
Company share capital		
Allotted, issued and fully paid:		
2 ordinary shares of £1 each	2	2

Ordinary share rights

The company's ordinary shares, which carry no right to fixed income, each carry the right to one vote at general meetings of the company.

Reserves

Reserves of the Company represent the following:

Profit and loss account

Cumulative profit and loss net of distributions to owners.

FAIRHOLD (HUDDERSFIELD) LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2019

13. Guarantees and contingent liabilities

The company has provided an unlimited guarantee in respect of related party borrowings. At 31 December 2019 the total amount outstanding subject to that guarantee was £86,306,500 (2018: £76,052,283). These amounts are included in short term creditors in the borrowing companies. There is no current intention for the amounts to be recalled in one year.

The company as a subsidiary is included in a group registration for VAT purposes and is therefore jointly and severally liable for all other participating group undertakings' unpaid debts in this connection.

14. Ultimate parent company and ultimate controlling party

The immediate parent company is Owners Provident Limited, which is registered in England and Wales. Copies of the financial statements are available from Companies House, Crown Way, Cardiff, CF14 3UZ.

The directors consider the ultimate parent undertaking to be Euro Investments Overseas Incorporated, a company incorporated in the British Virgin Islands.

The ultimate controlling party is the Tchenguiz Family Trust.

15. Related party transactions

The company has taken advantage of the exemptions provided by Section 33 of FRS 102 'Related Party Disclosures' and has not disclosed transactions entered into between two or more members of a group, provided that any subsidiary undertaking which is party to the transaction is wholly owned by a member of that group.

During the year the company incurred a management charge of £703,684 (2018: £620,505) from a company related party by virtue of common control and common directors.

16. Post balance sheet events

In March 2020, the COVID-19 pandemic broke in the UK. This event has not impacted on the company's performance for the year ended 31 December 2019 or its financial position at 31 December 2019.

The current situation is unprecedented and the wider economic impact is uncertain. However, the directors are of the view that because of the very long-term nature of the wider group's financing structures and the nature of its core income, being a large number of small ground rent receipts, the impact on the company is likely to be minimal.
