1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and United Kingdom Generally Accepted Accounting Practice for Smaller Entities

The accounts have been prepared on a going concern basis which assumes that the company will continue to trade The validity of this assumption is dependent upon the company's directors who have indicated that they intend to provide the necessary facilities to enable the company to continue in operation for the foreseeable future If the company were unable to trade, adjustments would have to be made to reduce the value of assets to their recoverable amount and to provide for any further liabilities that may arise and to reclassify fixed assets and long term liabilities as current assets and liabilities
