BY ORDER OF THE BOARD

C M Maxwell
Director

29th April 2004

CMM INVESTMENTS LIMITED
STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for ensuring that the directors' report and other information included in the financial statements is prepared in accordance with company law in the United Kingdom.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CMM INVESTMENTS LIMITED

We have audited the financial statements of CMM Investments Limited for the year ended 30 June 2003 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read other information contained in the Annual Report and consider whether it is consistent with the audited financial statements. This other information comprises only the Directors' Report. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company's as at 30 June 2003 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Approved by the board of directors on 29th April 2004

C M Maxwell
Director

CMM INVESTMENTS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 30 JUNE 2003

1 ACCOUNTING POLICIES

(a) Basis of accounting

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

(b) Tangible fixed assets and depreciation

Tangible fixed assets include investment properties professionally valued by Chartered Surveyors on an existing use open market value basis.

Investment properties are included in the balance sheet at their open market value. Depreciation is provided only on those investment properties which are leasehold and where the unexpired lease term is less than 20 years.

Although this accounting policy is in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), it is a departure from the general requirement of the Companies Act 1985 for all tangible assets to be depreciated. In the opinion of the director compliance with the standard is necessary for the financial statements to give true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

(c) Deferred taxation

As required by the FRSSSE, Deferred Tax, full provision is made for deferred tax arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation except for those timing differences in respect of which the standard specifies that deferred tax should not be recognised.

2 TURNOVER

Turnover comprises the invoiced value of rents receivable by the company relating to the year.

3 TAXATION

The company has estimated losses of approximately £340,000 (2002: £300,000) available for carry forward against future trading profits. Were the investment properties to be sold at their current carrying values, the director estimates a tax liability of approximately £900,000 would arise.

4 TANGIBLE FIXED ASSETS

	Investment Properties £
At valuation	
At 1 July 2002	4,100,000
Revaluation during the year	(50,000)
As at 30 June 2003	4,050,000

One of the properties was sold for £2,950,000 in March 2004 and the property has been revalued in the year to reflect the sale price. The historical cost of this property was £425,000.

In the opinion of the director, the valuation of the other property, as carried out in December 2001 by Edward Symmons & Partners, Chartered Surveyors, on an open market basis is not materially different from the open market value of the properties as at 30 June 2003.

On an historical cost basis these would have been included at an original cost of £592,979 (2002: £592,979), and aggregate depreciation of £nil (2002: £nil).
