NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JULY 2001

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

1.2 Turnover

Turnover represents all rents received during the year.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold	No depreciation
Land and buildings Leasehold	2% Straight Line

No depreciation is provided in respect of freehold land and buildings. The directors consider that the market value of the land and buildings is in excess of cost and that, consequently the cost of regular revaluation and depreciation of properties is not justified. This accounting treatment does not comply with Statement of Standard Accounting Practice 19 with regard to the valuation of investment properties.

1.4 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.
