Kingshill House Limited

Management committee' Report

The management committee who are also directors for the purposes of company law, present their annual report together with the unaudited financial statements of the charitable company for the year ended 31 March 2015.

Structure, governance and management

Nature of governing document

The company is limited by guarantee and is registered as a charity with the Charity Commission. The affairs of the company are governed by its memorandum and articles of association. The liability of the Members in the event of the company being wound up is limited to a sum not exceeding £1. No new trustees have been appointed during the year.

Major events and policy decisions are taken by the trustees while decisions concerning the day to day running of the charity in terms of the utilisation of Kingshill House are taken by the administrative staff.

Major risks and management of those risks

In the light of the Charities Statement of Recommended Practice Accounting and Reporting by Charities issued in March 2005 (SORP 2005), the Management Committee has carried out a review of the major strategic, business and operational risks to which the company is exposed. Systems have been established to mitigate those risks and procedures have been implemented to minimise any potential impact on the company, should they materialise.

Objectives and activities

Objectives, strategies and activities

Main objectives for the year

Kingshill House Limited has an agreement with Stroud District Council to convert the property, Kingshill House, for use as a Community Arts Centre. The objective is to provide a centre accessible to the whole community, such that any prevailing barriers to enjoyment of and participation in education, arts community activities are minimised and eventually removed.

The company exists to advance the education of the public in the arts and other leisure and recreational activities, through the provision of a centre known as Kingshill House. The directors intend that the centre should be the leading cultural provider and promoter in the Dursley and Cam area.

Usage of the house is increasing since it's refurbishment this year; art classes and workshops are well supported.

Kingshill House Limited

Management committee' Report

Public benefit

Activities undertaken to further public benefit

The Trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Use of volunteers

The results for the year and the charity's financial position at the end of the year are shown in the attached financial statements.

The company benefits from services provided, on a voluntary basis, by members of the board of directors in addition to their duties as directors. No monetary value is placed upon these services, but without them the operation of the company would be difficult. Following the resignation of Mr Whatling, three new directors have recently been appointed bringing wide expertise to the board of directors. The company is also grateful for the work of other volunteers particularly in relation to the management of the property and the organisation of events. The Community Payback team has attended on a regular basis each week and without their help a lot of the work now completed would have been costly and on-going.

Financial Review

Principal funding sources

The core funding agreement with Stroud District Council remains in place. This provides the House with a degree of stability, making a substantial contribution to the administrative costs and allowing fund raising efforts to be directed towards improvements to facilities.

A net deficit of £13,806 was revealed for the year under review.

Expenditure on Kingshill House remains at a basic maintenance level. There has been considerable expenditure on the cottage to try to bring it back into use but this is presently on hold pending discussions with Stroud District Council on how best to bring the cottage back into use.

Plans for future periods

Activities planned to achieve aims

Building work in the main house is now focussed on maintenance and repair; redecoration of the main staircase will take place during the Summer, thus completing the refurbishment of the principle rooms and circulation areas.

It is recognised that improvements to the cottage in the grounds of Kingshill House would allow it to be let at a commercial rent.

Independent Examiner's Report to the trustees of Kingshill House Limited

I report on the accounts of the company for the year ended 31 March 2015 which are set out on pages 7 to 17.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me a reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 March 2015

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention in accordance with applicable United Kingdom Accounting Standards, the Charity Commission 'Statement of Recommended Practice: Accounting and Reporting by Charities' ('SORP 2005'), the Financial Reporting Standard for Smaller Entities (effective April 2008), and the Companies Act 2006. A summary of the principal accounting policies, which have been applied consistently, except where noted, is set out below.

Incoming resources

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the Charity has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Grants receivable

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of entitlement of receipt its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Other voluntary income

The company benefits from work carried out by volunteers. No monetary value is placed on this although the benefit to the company has been considerable.

Resources expended

All expenditure is recognised in the period in which a liability is incurred and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Kingshill House Limited

Notes to the Financial Statements for the Year Ended 31 March 2015

Governance costs

These include the costs attributable to the Charity's compliance with constitutional and statutory requirements, including audit, strategic management and Trustee's meetings and reimbursed expenses.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Fixtures and equipment	20% straight line

Fund accounting

Unrestricted income funds are general funds that are available for use at the trustee's discretion in furtherance of the objectives of the Charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Hire purchase and finance leases

Rentals payable under operating leases are charged in the Statement of Financial Activities on a straight line basis over the lease term.
