MANAGEMENT COMMITTEE REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2019

The Management Committee present their report and accounts for the year ended 31 March 2019.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objects are to provide a centre accessible to the whole community, such that any prevailing barriers to enjoyment of and participation in education, arts community activities are minimised and eventually removed. The directors intend that the centre should be the leading cultural provider and promoter in the Dursley and Cam Area.

Activities undertaken to further public benefit

The company exists to advance the education of the public in the arts and other leisure and recreational activities, through the provision of an arts and meeting centre known as Kingshill House.

The management committee confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

The Management Committee have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Use of volunteers

The company benefits from services provided, on a voluntary basis, by members of the community as well as the board of directors in addition to their duties as directors. No monetary value is placed upon these services, but without them the operation of the company would be difficult.

Achievements and performance

Financial review

The results for the year and the charity's financial position at the end of the year are shown in the attached financial statements.

A net surplus of £8,667 was revealed for the year under review.

Expenditure on Kingshill House has increased over the past year to a modest level, with works undertaken internally to upgrade the rooms to make them more versatile for use as classroom space. The LED lighting was upgraded in Awdry room to give better light for painting classes, the carpet tile floors in Eyre and Lions room have been replaced with wooden laminate flooring, the latter with a donation from Dursley Lions club. Two stair lifts have been installed on the first floor giving full access to the building to all.

Roof and drain surveys were conducted to provide information to the Board for strategic financial planning purposes.

In addition, the exterior of the building was decorated, at a cost of £18,000 with funds drawn down from Stroud District Council to pay for the project.

Stroud District Council completed the refurbishment works to the Cottage at the end of the 2018 financial year and tenants moved in early in the new financial year. This has brought regular income directly to Kingshill House and reduced the expenditure on council tax and penalty payments for an unoccupied dwelling.

Kingshill House Limited is registered with the Charity Commission and complies with the requirements of the Charity Commission in terms of an annual independent inspection of the organisation's accounts and submitting the accounts as part of the Charity Commission's annual return.

The management committee operates a system of general funds to cover the core running costs of the House and restricted funds to cover the costs associated with particular activities or projects.

In terms of the general fund we receive income in the form of fees charged for workshops and classes as well as room hire charges, which we make to all of our user groups, along with one-off fees for private parties and functions (including weddings), community meetings etc.

Principal funding sources

The core funding agreement with Stroud District Council remains in place. This provides the House with a degree of stability, making a substantial contribution to the administrative costs and allowing fund raising efforts to be directed towards improvements to facilities.

Major risk and management of those risks

The Management Committee has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

In the light of Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)(as amended for accounting periods commencing from 1 January 2016), the Management Committee has carried out a review of the major strategic, business and operational risks to which the company is exposed. Systems have been established to mitigate those risks and procedures have been implemented to minimise any potential impact on the company, should they materialise

Activities planned to achieve aims

Discussions and negotiations continue with Stroud District Council with a view to the freehold of the estate including Kingshill House and ancillary buildings transferring from Stroud District Council to Kingshill House Limited, moving away from the current long-term lease arrangement. The time frame for this is set for the transfer to be completed no later than 31 March 2021.

The impact of moving towards a financially sustainable Kingshill House includes discussions upon how the house is occupied and the income generated - maximum potential income from all areas of the house are crucial to the success of this initiative.

Agreement was reached with Paul Woodland, owner of CYT Fitness Gym, to take occupation of the workshops at the rear of the site for the purpose of running a gym. The tenant took occupation in October 2017. This will bring in an additional regular income.

With the growth of arts and other diverse recreational and cultural activities here at the House, there is an increased demand for floor space based on a realistic financial charge basis. Such charges must be comparable to other venues offering rooms for hire, but they must also reflect the unique qualities and characteristics that Kingshill House offers. The House has been licensed since early 2017 to hold wedding ceremonies and the directors are committed to identifying and pursuing all relevant opportunities to increase footfall and income, as Kingshill House pursues a financially sustainable future for the benefit of local communities

Structure, governance and management

The charity is a company limited by guarantee and is registered as a charity with the Charity Commission. The affairs of the company are governed by its memorandum and articles of association.

The Management Committee, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

INDEPENDENT EXAMINER'S REPORT

TO THE MANAGEMENT COMMITTEE OF KINGSHILL HOUSE LIMITED

I report to the Management Committee on my examination of the financial statements of Kingshill House Limited (the charity) for the year ended 31 March 2019.

Responsibilities and basis of report

As the Management Committee of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

1 Accounting policies

Charity information

Kingshill House Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is Kingshill House, Kingshill, Dursley, Glos., GL11 4BZ.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Management Committee have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Management Committee continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Management Committee in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1 Accounting policies

(Continued)

1.5 Resources expended

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and equipment	20% straight line
------------------------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired.

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

KINGSHILL HOUSE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2019

1 Accounting policies

(Continued)

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.13 Leases

Rentals payable under operating leases, including any lease incentives received, are charged as an expense on a straight line basis over the term of the relevant lease.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Management Committee are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
