RESPONSIBILITIES OF DIRECTORS

FOR THE YEAR ENDED 30TH APRIL 2004

DIRECTORS RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to;

Select suitable accounting policies and then apply them consistently.

Make Judgements and estimates that are reasonable and prudent;
State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors are also responsible for determining whether, in respect of the year, the Company meets the condition of exemption from an audit of the accounts set out in S/249A of the Companies Act 1985 and for determining whether, in respect of the year, the exemption is not available for any reasons set out in S249B.

If in respect of the year, the availability of the exemption from an audit of the accounts is conditional upon directors causing a report in respect of these accounts to be prepared for the purposes of S249A (2), directors are responsible for deciding whether that report shall be made and for appointing us as reporting accounting to make that report to the shareholders of the Company.

SONIK PRODUCTS LIMITED**FOR THE YEAR ENDED 30TH APRIL 2004****RESPONSIBILITIES OF THE REPORTING ACCOUNTANTS**

We shall plan our work on the basis that a report for that purpose of S249A (1) is required for the year, unless you inform us in writing that either:

- a) The Company requires an audit of the accounts, or
- b) The Company requires neither an audit nor such a report.

Should you instruct us to carry out an audit, then a separate letter of engagement will be required.

Should you inform us that the company requires neither an audit nor a report, then we shall have no responsibilities to the company, except those specifically agreed upon between us in respect of other professional services.

As a reporting accountant, we have a statutory responsibility to report to the shareholders of the company whether in our opinion:

- a) The accounts are in agreement with the accounting records kept by the company under S221 of the Companies Act 1985.
- b) Having regard only to, and on the basis of, the information contained in those accounting records, the accounts have been drawn up in a manner consistent with the accounting requirements specified in Section 249C (6) of the Act, so far as they are applicable to the Company.

We also have a statutory responsibility to state that, having regard only to, and on the basis of, the information contained in the accounting records kept by the company under S221, in our opinion the company satisfied the condition for the exemption from an audit of the accounts specified in section 249A (4) of the Act and did not, at any time within the year, fall within any of the categories, specified in Section 249B (1), of the companies not entitled to the exemption.

We do not have any responsibility to report whether any shareholder of the company has notified the company that he or she requires an audit, consequently we have no responsibility to carry out any work in respect of this manner.

Should our work had us to conclude that the company is not entitled to exemption from an audit of the accounts, or should we unable to reach a conclusion on this matter, then we will not issue any report and notify you in writing of the reasons. In these circumstances, if appropriate, we will discuss with you the need to appoint an auditor.
