Notes to the Abbreviated Accounts for the Year Ended 31 July 2007

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared on the going concern basis in the past due to the continued financial support of the directors who have deferred withdrawal of their directors current account. The results for this year showed a significant improvement in the company's reserves removing the necessity for the directors to defer withdrawal of their directors loan accounts.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Office equipment	- 25% on reducing balance
Fixtures and fittings	- 15% on reducing balance
Computer equipment	- 25% on reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
