Respective Responsibilities of the Directors and Auditors

As described on page 2, the Company's Directors are responsible for the preparation of the financial statements. It is our responsibility to form an independent opinion, based on our audit, on these statements and report to you.

Basis of Opinion

We conducted our audit in accordance with the Auditing Standards issued by the Auditing Practices Board. An audit includes an examination, on a test basis, of evidence relevant to the amounts and disclosure in the financial statements. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.
