Statement of Directors' Responsibilities

Company Law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss for the year. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the Company and enable them to ensure that the statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Director confirms that these financial statements comply with the aforementioned requirements.

Report of the Auditors to the Members

For the Year to 30 September 2006

We have audited the statements on pages 4 to 6.

Respective Responsibilities of the Directors and Auditors

As described on page 2, the Company's Directors are responsible for the preparation of the financial statements. It is our responsibility to form an independent opinion, based on our audit, on these statements and report to you.

Basis of Opinion

We conducted our audit in accordance with the Auditing Standards issued by the Auditing Practice Board. An audit includes an examination, on a test basis, of evidence relevant to the amounts and disclosure in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion, the accounts give a true and fair view of the state of the Company's affairs at 30 September 2006 and of its surplus for the year then ended and have properly been prepared in accordance with the Company's Act 1985.
