Notes to the Abbreviated Accounts for the period ended 30 June 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover is the amount derived from ordinary activities and stated after trade discounts and VAT.

Tangible assets depreciation policy

Depreciation has been computed to write off the cost of tangible fixed assets over their expected useful lives using the following rates:-

Motor vehicles 25% reducing balance

Office equipment 25-33% reducing balance

Computer equipment 50% straight line

Equipment 20-25% reducing balance

Freehold land Nil

Freehold buildings 5% per annum on the difference between cost and residual value.

The directors consider that the residual value of freehold buildings exceeds cost at the year end. No depreciation has been charged in these accounts.

Other accounting policies**Pension contributions**

The company operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Stocks and work in progress

Stocks and work in progress have been valued at the lower of cost and net realisable value. Work in progress represents directly attributable labour and material costs.

Leasing and hire purchase

Tangible fixed assets acquired under finance leases or hire purchase contracts are capitalised and depreciated in the same manner as other tangible fixed assets. The related obligations, net of future finance charges, are included in creditors. Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Deferred taxation

Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences.
