INDEPENDENT AUDITORS' REPORT TO
APR ENGINEERING (SOULBURY) LIMITED
PURSUANT TO SECTION 247B OF THE COMPANIES ACT 1985

We have examined the abbreviated accounts on pages 2 to 5 together with the financial statements of APR Engineering (Soulbury) Limited prepared under section 226 of the Companies Act 1985 for the year ended 28 February 2004.

Respective Responsibilities of Directors and Auditors

The directors are responsible for preparing the abbreviated accounts in accordance with section 246(5) and (6) of the Companies Act 1985. It is our responsibility to form an independent opinion as to the company's entitlement to deliver abbreviated accounts and whether the abbreviated accounts have been properly prepared in accordance with that section.

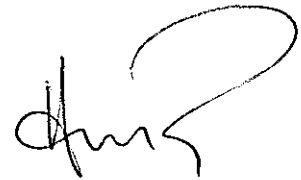

Basis of Opinion

We have carried out the procedures we considered necessary to confirm, by reference to the audited financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts have been properly prepared from those financial statements. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled under sections 246 and 247 of the Companies Act 1985 to deliver abbreviated accounts prepared in accordance with sections 246 (5) and (6) of the Act in respect of the year ended 28 February 2004 and the abbreviated accounts on pages 2 to 5 have been properly prepared in accordance with that section.

NOTES TO THE FINANCIAL STATEMENTS

YEAR TO 28 FEBRUARY 2004

5. Accounting Policies

The principal accounting policies have remained unchanged and are set out below:-

Basis of preparation of Financial Statements

The Financial Statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

Turnover

Turnover represents the total amount receivable by the company in the ordinary course of business for goods supplied and services provided within the United Kingdom excluding value added tax.

Depreciation

Depreciation is calculated to write off the book value of each tangible fixed asset over its expected useful life by reducing annual instalments at the following rates:-

Fixtures and equipment	25%
Motor Vehicles	25%
Leasehold Improvements	Equal installments over the period of the lease.
Workshop Improvements	Equal installments over the period of the lease.

Stock

Stock is stated at the lower of cost and net realisable value.

Cost is based on purchase price including transport and handling costs calculated on a first in first out basis.

Net realisable value is based on estimated selling price less further costs expected to be incurred to disposal.

Deferred Taxation

Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences.

Pensions

The company operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Leased Assets and Hire Purchase Arrangements

Where assets are financed by leasing arrangement which transfer substantially all the risks and rewards of ownership of an asset to the lessee (finance leases), the assets are treated as if they had been purchased and the corresponding capital cost is shown as an obligation to the lessor.

The assets are depreciated over the shorter of the lease term and their estimated useful lives. Finance charges are written off to the profit and loss account over the period of the lease in relation to the assets' written down value.
