ACCOUNTANTS REPORT

ACCOUNTANTS REPORT TO THE SHAREHOLDERS OF ABERTON LTD

We have conducted a detailed examination of the financial statements on pages 6 and 7 which have been prepared under the historical cost convention and the accounting policies set out on page 8.

Respective Responsibilities of directors and accountants

As described on page 3, the company's directors are responsible for the preparation of accounts. It is our responsibility to form an independent opinion, based on our examination of the company records, on those statements and report our opinion to you.

Basis of Opinion

We conducted our examination of the company's financial records without a full audit examination as defined by the Auditing Standards issued by the Auditing Practices Board. An examination has been made, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. An assessment has been made of any estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the circumstances of the business and are consistently applied.

An examination of the financial records has been planned so as to obtain all the information and explanations which were considered necessary in order to provide sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement or error.

Opinion

In our opinion the financial statements give a true and fair view of the company's affairs at April 5th 2001 and of its profit for the accounting period ended on that date. The accounts have been properly prepared in accordance with the provisions of the Companies Acts applicable to small companies.
