STIWT ARTS TRUST LIMITED

Report of the trustees for the year ended 31 March 2004

The Trustees are pleased to present their report together with the financial statements of the charity for the year ended 31 March 2004.

Legal and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the Memorandum and Articles of Association and the Statement of Recommended Practice-Accounting and Reporting by Charities.

Objects of the Charity

The objects of the Charity are to promote and advance education by the encouragement of all cultural forms and the arts and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the object of improving the conditions of life of members of the public and to formulate, prepare and establish schemes. The theatre contributes to the quality of life of the people of the County Borough of Wrexham and wider area by expanding their horizons through the provision of exciting, challenging and accessible professional and community arts events. The principal activities continued to relate to the promotion and fostering of artistic knowledge and appreciation of the arts by the provision of facilities for the education and entertainment of the public in the fields of art, craft, music and drama. To achieve this the Stiwt Arts Trust:

- Offers opportunities for a broad range of people to get involved in arts activity exploring their own creative powers.
- Provides facilities for amateur and professional artists to develop. Groups in the County Borough are given discounted rates for hire of space and access to professional advice.
- Concentrates in involving young people in the arts to help encourage a culture in which different age ranges play a complimentary part.
- Celebrate the diversity of cultures in our society by programming presentations by, and with, artists of different cultural backgrounds and
- Presents a broad range of arts work.

Organisation

A Board of Directors/Trustees of up to 11 members who meet monthly administers the Charity. There are sub-committees covering marketing and finance. A Theatre Manager is appointed by the Board to manage the day to day activities of the charity.

STIWT ARTS TRUST LIMITED

Investment powers

Under the Memorandum and Articles of Association, the Charity has the power to make any investment which the Board sees fit.

Related parties

The Charity has a very close relationship with Wrexham County Borough Council, Rhosllannerchrugog Community Council both of which nominates directors/trustees and provide funding to enable the Charity to carry out its charitable objectives. The Friends organisation as well as making regular quarterly donations make a valuable supportive contribution in many practical, voluntary activities. A summary of transactions with those parties is available from the Company Secretary.

Review of the activities and future developments

Lack of revenue funding despite several attempts to attract funding from ACW precludes real advancement in business levels. Cash flow from day to day stifles all attempts to expand the cultural programme.

Despite these difficulties 37 different community groups used the facilities and several Stiwt based groups such as the Drama group performing in Welsh and English and a Musical Theatre Group have been formed. These have produced and performed several performances based on commissioned works of a local historical nature as well as classic shows. The facility is used extensively each weekday by local Performing arts organisations and weekends take up a mix of touring shows and local functions such as Weddings, Anniversaries, Birthday Parties. Partnerships with Creu Cymru, The National Welsh Theatre Group and Theatr Gogledd Cymru, professional touring companies, have led to co-productions and commissions. North Wales Community Dance are now established users and several touring productions for schools covering Core Curriculum and subjects such as bullying and drugs have attracted sell out audiences for schools. Poetry both English and Welsh have featured in our programme with support from Academia.

The facility continues to be part funded by Wrexham County Borough Council and project based grant funding from ACW. Applications have been made to Shanks Landfill Tax for grant aid towards building maintenance and indications are that funding will be made available 2004/2005.

Attempts to gain further revenue funding from ACW are ongoing.

STIWT ARTS TRUST LIMITED

Reserves policy and risk management

In the early part of 2002 the Trustees carried out a detailed review of the Charity's activities and produced a comprehensive strategic plan with the assistance of the Wrexham County Borough Council. This set out the major opportunities available to the Charity and the risks to which it is exposed. The Trustees monitor progress against the strategic objectives set out at the monthly Board meetings and a comprehensive review of the plan will be carried out annually. As part of this process, the Trustees have implemented a risk management strategy which comprises:

- An annual review of the risks which the Charity may face.
- The establishment of systems and procedures to mitigate those risks identified in the plan.
- The implementation of procedures designed to minimise any potential impact on the Charity should any of those risks materialise.

The strategic plan focused the Trustees on the need to continue to closely monitor the artistic programme in consultation with the Manager to avoid any resultant risks. The marketing of this newly refurbished facility is an important issue and continues to present some difficulty given the tight budget. There will also need to be close liaison with any Trust set up to run the proposed theatre facility at Wrexham to avoid conflict in programming and encouraging co-operation. The Trustees have therefore planned a new fund raising strategy concentrating on raising funds from other charitable funds within Wales as well as our existing customers. The Trustees recognise that there is a need to build up reserves to protect the charity from unforeseen events.

Trustees responsibilities in relation to the financial statements

Company law requires the Trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the end of the financial year end and of its surplus or deficit for the financial year. In doing so the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the financial statements on the going concern basis unless it is appropriate to presume that the Charity will continue in business.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enables them to ensure that the financial statements comply with the Companies Act 1985. The Trustees are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STIWT ARTS TRUST LIMITED**Independent Auditor's Report to the members of Stiwt Art Trust Limited**

We have audited the financial statements of Stiwt Art Trust Limited for the year ended 31 March 2004 which comprise the Statement of Financial Activities, the Balance Sheet and related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

Respective responsibilities of the management committee and auditors

The trustees (who are also the directors of Stiwt Art Trust Limited for the purpose of company law) are responsible for preparing the trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Trustees Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you, if our opinion, the Trustees' Annual Report is not consistent with the financial statements, if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding trustees' remuneration and transactions with the charity is not disclosed.

We read other information contained in the Trustees' Annual Report, and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the judgements made by the trustees in the preparation of financial statements, and of whether the accounting policies are appropriate to the charitable company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the charitable company's affairs as at 31 March 2004 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
