NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31ST JANUARY 2002**1 Accounting policies****Basis of accounting**

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

Depreciation

Depreciation of fixed assets is provided at rates estimated to write off the cost or revalued amounts, less estimated residual value, of each asset over its estimated life as follows:

Plant and machinery etc	- 15% reducing balance
Computer equipment	- 30% reducing balance
Property improvements	- 2% reducing balance

Property improvements consists of improvements to property rented under the terms of an operating lease.

Stocks

Stocks are stated at the lower of cost and net realisable value.

Turnover

Turnover represents the invoiced value of goods sold, and is stated net of value added tax and trade discounts.

Leasing and hire purchase contracts

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet and depreciated over their useful lives.

The total finance charges are allocated to the profit and loss account over the period of the lease or hire purchase contract to charge a greater proportion of interest in accounting periods when the outstanding capital balance is higher.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Deferred taxation

Deferred taxation is accounted for under the liability method in respect of the taxation effects of all material timing differences which are expected to reverse in the future, calculated at the rate at which it is estimated that the tax is payable.

Pension scheme contributions

The pension schemes are externally funded and no provision to supplement these funds is required. Payments made to the funds are charged to the profit and loss account as the contributions are made.
