**Directors' statements required by Sections 475(2) and (3)
for the year ended 31 March 2014**

In approving these abbreviated accounts as directors of the company we hereby confirm:

- (a) that for the year stated above the company was entitled to the exemption conferred by Section 477 of the Companies Act 2006 ;
- (b) that no notice has been deposited at the registered office of the company pursuant to Section 476 requesting that an audit be conducted for the year ended 31 March 2014 ; and
- (c) that we acknowledge our responsibilities for:
 - (1) ensuring that the company keeps accounting records which comply with Section 386 ; and
 - (2) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the year then ended in accordance with the requirements of Section 393 and which otherwise comply with the provisions of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies .

The abbreviated accounts were approved by the Board and signed on its behalf by

Pipeline Integrity Engineers Limited

Notes to the abbreviated financial statements for the year ended 31 March 2014

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2. Turnover

Turnover represents the total amount receivable, excluding value added tax, of work done during the year.

1.3. Tangible fixed assets & depreciation

All fixed assets are initially recorded at cost. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Office equipment - 50% straight line

1.4. Investments

Fixed asset investments are stated at cost less provision for permanent diminution in value.

1.5. Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the exception of situations where the directors determine the effects not to be material or are unlikely to reverse in the foreseeable future.

1.6. Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange prevailing at the accounting date. Transactions in foreign currencies are recorded at the date of the transactions. All differences are taken to the Profit and Loss account.

1.7. Group accounts

The company is entitled to the exemption under Section 398 of the Companies Act 2006 from the obligation to prepare group accounts. These financial statements are therefore those of the parent company in isolation and not of its group.

1.8. Financial instruments

Financial instruments are classified and accounted for, according to the substance of contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
