Statement of director's responsibilities

Company law requires the director to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that year. In preparing those accounts the director is required to:

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent;

State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;

Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the company and enable him to ensure that the accounts comply with the Companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Mr S. R. Poursaleki
Director

The notes on pages 7 to 9 form part of these accounts.

EEC & PARTNERS PROPERTY LIMITED

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31ST DECEMBER 2000

1 Accounting policies

Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

The company has taken advantage of the exemptions in Financial Reporting Standard No. 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

Turnover

Turnover comprises the value of rent receivable from tenants.

Tangible fixed assets and depreciation

Depreciation has been provided at the following rates in order to write down the cost or valuation, less estimated residual value, of all tangible fixed assets, with the exception of freehold investment properties, by reducing balance method over their expected useful lives:

Freehold investment properties	Nil
--------------------------------	-----

Deferred taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the director considers that a liability to taxation is unlikely to crystallise.

2 Turnover

The rental income was derived from the company's principal activity which was carried out wholly in the UK.
