**Auditors' Report to the Directors of Mundon Limited
pursuant to Section 247B of the Companies Act 1985**

We have examined the abbreviated accounts set out on pages 2 to 4 together with the financial statements of the company for the year ended 31 December 2000 .

Respective Responsibilities of Director and Auditors

The directors are responsible for preparing the abbreviated accounts in accordance with ss246(5) and (6) of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with those sections and whether the abbreviated accounts have been properly prepared in accordance with those provisions and to report our opinion to you.

Basis of Opinion

We have carried out procedures we considered necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with ss246(5) and (6) Companies Act 1985, in respect of the year ended 31st December 2000, and the abbreviated accounts on pages 2 to 4 have been properly prepared in accordance with those provisions.

Notes to the Abbreviated Financial Statements for the year ended 31 December 2000

1. Accounting Policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention.

The company has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small company.

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

1.3. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment	- 15% Straight Line
-------------------------------------	---------------------

1.4 Foreign Currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange prevailing at the accounting date. Transactions in foreign currencies are recorded at the date of the transactions. All differences are taken to the Profit and Loss Account.

1.5. Going Concern

The accounts have been prepared on a going concern basis as the directors have confirmed that continuing financial support will be available to the company by way of overdraft facility or external sources if required.

4. Control

The companies ultimate undertaking is Lacka Trust - a trust incorporated in the Isle of Man.

5. Going concern

The company has accumulated losses and a net current liability position. However, turnover has increased and there has been an increase in cash flow from operating activities, improvement in margins and a reduction in operating losses being incurred. The company is still relatively new in it's market segment and from an analysis of growth projections, turnover is expected to continue to increase without all relevant overheads increasing at the same rate. The company forecasts securing larger contracts over a wider geographical area. There is an agreed overdraft facility of £200,000 and the company to date has not exceeded this sum for significant periods of time. On the basis of projected growth and existing banking relationships, the directors believe that the company's bankers will continue to support it.
