Directors' responsibilities statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Results

The profit for the year, after taxation, amounted to £178,486 (2011 - £176,115)

Principal activities and review of business

The principal activity of the company is the letting of properties to group companies.

Fair review of the business

The company made a profit before taxation of £237,988 during the year compared to £241,142 in the year to 30 September 2011. This result is comparable to the previous year and in line with the directors' expectations.

ARUN PROPERTY INVESTMENTS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2012

Development and performance of the business

The company has continued to perform to expectations during the year

Future developments of the business

Since the year end the company has continued to trade profitably. The directors are confident that the coming financial year will produce a satisfactory performance.

Position of the company at the year end

At the year end the company had net assets of £1,129,038 (2011: £950,552)

Description of principal risk and uncertainties

The principal risk to the business is the continued requirement of the properties to be utilised by group companies. The level of this requirement is dependent upon the trading conditions of these companies to whom the principal risk is the health of the UK residential property market.

Fixed assets

The fixed assets are summarised in the notes to the financial statements.

The directors do not consider the market value of freehold properties to be materially different to their net book value.

Provision of information to auditors

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that

- so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditors in connection with preparing their report and to establish that the company's auditors are aware of that information.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF ARUN PROPERTY INVESTMENTS LIMITED

We have audited the financial statements of Arun Property Investments Limited for the year ended 30 September 2012, set out on pages 6 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 September 2012 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

ARUN PROPERTY INVESTMENTS LIMITED

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF ARUN PROPERTY INVESTMENTS LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

ARUN PROPERTY INVESTMENTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2012

1 Accounting Policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention as modified by the revaluation of freehold property and in accordance with applicable accounting standards

1.2 Turnover

Turnover comprises rent receivable, exclusive of Value Added Tax

1.3 Cash flow

The company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw up a cash flow statement in accordance with FRS 1

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases

Freehold property	- Nil
-------------------	-------

Given the useful lives of the company's freehold properties and the high standard to which they are maintained, it is the opinion of the directors that the residual values are sufficiently high to make any depreciation charge immaterial

The useful economic life of freehold properties is reviewed at the end of each financial reporting period and revised if expectations are significantly different from previous estimates

1.5 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets in the financial statements

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse

Deferred tax assets and liabilities are not discounted
