Directors' and Trustees' Report for the Year Ended 31st March 2012

The trustees, who are also directors of the charity for the purposes of the Companies Act, present their annual report and the financial statements for the year ended 31st March 2012. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 2005 (Accounting and Reporting by Charities) and the Charities Act 2011, in preparing the annual report and financial statements of the charity.

Objects of the Charity, principal activities and organisation of our work

The charity is constituted as a company limited by guarantee and is, therefore, governed by a Memorandum and Articles of Association.

The objects of the Company are to provide relief to the inhabitants of the town of Battle and its environs whom have need because of age, mental or physical disability, or poverty, and in particular but not as to limit the generality of the foregoing -

- a) to provide and maintain non-profit community transport services, and
- b) to assist the charitable work of organisations and bodies engaged in promoting the relief of such persons through the provision of appropriate services

The charity is organised so that the trustees meet regularly to manage its affairs. The day to day business was managed during the year by the trustees with the support of other volunteers including drivers, a part-time administrator, helpers and local organisations.

Developments, activities and achievements this year

The trustees consider that the performance of the charity this year has been satisfactory.

The trustees pay tribute to the generosity of those who have given both time and money towards the operations of the charity throughout the year.

Transactions and financial position

The Statement of Financial Activities shows a surplus for the year amounting to £1,519 increasing our Reserves at the Balance Sheet date to £85,788, of which £16,000 is specifically 'restricted' to expenditure expected to be incurred in the next financial year. Of the balance, £69,788, some £28,000 is set aside for the replacement of one of the buses, £20,000 is tied up in Fixed Assets and the remainder, £21,788 is available for contingencies.

The Trustees are satisfied that the present level of funding is adequate to support the day to day needs and commitments of the charity. However, the Trustees continue their concerted action to secure funding for the charity's future activities.

Tangible Fixed Assets for use by the charity

Details of movements in fixed assets are set out in note 3 to the accounts.

Investment policy and returns

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the trustees see fit. Short term surplus funds are invested with the charity's bankers. The return on bank deposits remains far from satisfactory, but the trustees continue to take the view that placement of the funds elsewhere is inappropriate at the present time.

Risk Management

The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at the current level will provide sufficient resources in the event of minor adversities.

Directors and Trustees

All the directors stated below were also trustees and served throughout the year, unless otherwise stated.

Battle Area Community Transport

Independent Examiner's Report to the Trustees of Battle Area Community Transport For the Year ended 31st March 2012.

I report on the accounts of the company for the year ended 31st March 2012 which are set out on pages 3 to 8

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Act) and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to

- examine the accounts under section 145 of the Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

- (1) which gives me reasonable cause to believe that in any material respect the requirements
- to keep records in accordance with section 386 of the Companies Act 2006, and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice Accounting and Reporting by Charities
- have not been met, or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
