NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

1 STATEMENT OF ACCOUNTING POLICIES

Accounting convention

The accounts have been prepared under the historical cost convention and are based on accounts prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents the value of general building services provided, stated net of value added tax

Tangible fixed assets

Fixed assets are stated at cost less accumulated depreciation

Depreciation has been provided at the following rates so as to write off the cost less residual value of the assets over their estimated useful lives

Plant and equipment	20% reducing balance basis per annum
Office equipment	20% straight line basis per annum
Motor vehicles	25% reducing balance basis per annum

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Deferred taxation

Deferred taxation is the taxation attributable to timing differences between profits computed for taxation purposes and profits as stated in the financial statements and is fully provided for, except in circumstances where losses are deemed irrecoverable, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Pensions

The company operates a defined contribution pension scheme. The amount charged to the profit and loss account in respect of pension costs and other post-retirement benefits is the amount payable in the year. Differences between contributions payable and contributions actually paid in the year are shown as either accruals or prepayments in the balance sheet.
