These abbreviated accounts have been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006 and with the Financial Reporting Standard for Smaller Entities (effective April 2008).

For the financial year ended 30 June 2015 the company was entitled to exemption from audit under section 477 of the Companies Act 2006.

Members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

Signed on behalf of the board of directors

M H Parsons

Director

Date approved by the board: 29 March 2016

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2015**

1 STATEMENT OF ACCOUNTING POLICIES

Accounting convention

The accounts have been prepared under the historical cost convention and are based on accounts prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value of general building services provided, stated net of value added tax.

Tangible fixed assets

Fixed assets are stated at cost less accumulated depreciation.

Depreciation has been provided at the following rates so as to write off the cost less residual value of the assets over their estimated useful lives.

Plant and equipment	20% reducing balance basis per annum
Office equipment	20% straight line basis per annum
Motor vehicles	25% reducing balance basis per annum

Leases

Assets held under finance leases and hire purchase contracts are capitalised and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability. The interest element of rental obligations is charged to the profit and loss account on a straight line basis, to produce an approximately constant rate of charge on the balance of capital repayments outstanding.

Work in progress

Work in progress has been valued at the lower of cost and net realisable value. Cost comprises the cost of materials and direct labour relevant to the stage of construction. Net realisable value is based on estimated selling price less all further costs to completion of the project.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Deferred taxation

Deferred taxation is the taxation attributable to timing differences between profits computed for taxation purposes and profits as stated in the financial statements and is fully provided for, except in circumstances where losses are deemed irrecoverable, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

1 STATEMENT OF ACCOUNTING POLICIES (continued...)

Pensions

The company operates a defined contribution pension scheme. The amount charged to the profit and loss account in respect of pension costs and other post-retirement benefits is the amount payable in the year. Differences between contributions payable and contributions actually paid in the year are shown as either accruals or prepayments in the balance sheet.

2 TANGIBLE ASSETS

	Tangible assets £
Cost	
At 1 July 2014	142,946
Additions	39,707
