Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to:-

- * select suitable accounting policies and then apply them consistently;
- * make judgements and estimates that are reasonable and prudent;
- * state whether the Financial Reporting Standard for Smaller Entities has been followed, subject to any material departures disclosed and explained in the financial statements;
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Kali-Ma Designs Limited
Notes to the Accounts
For the Year Ended 31 March 2002

1.Accounting Policies

Basis of Accounting

The financial statements have been prepared under the historical cost accounting convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

Turnover

Turnover is the total amount, excluding value added tax, receivable by the company for services provided.

Depreciation

Depreciation is provided on fixed assets, using the reducing balance basis, at rates designed to write down the assets to their residual values, over their estimated useful lives. The rates used are as follows:-

Plant and Equipment	15% reducing balance
Motor Vehicles	25% reducing balance

Deferred taxation

Deferred taxation is provided only on those timing differences that in the opinion of the directors, will give rise to a liability in the foreseeable future. The provision is calculated on the liability method at corporation tax rates ruling at the balance sheet date.
