Notes to the Financial Statements

31st December 2001

1 Statement of Directors' Responsibilities

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- * Select suitable accounting policies and then apply them consistently;
- * make judgments and estimates that are reasonable and prudent;
- * state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- * prepare the statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy any time the financial position of the Company and to enable them to ensure the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

2 Accounting Policies

(a) Basis of Accounting

The financial statements have been prepared in accordance with applicable accounting standards, under the historical cost convention.

The principal accounting policies which the Directors have adopted within that convention are set out below.

(b) Turnover

Turnover consists of the invoiced value (excluding Value Added Tax) of goods and services supplied to third parties.

(c) Depreciation
