Notes to the Abbreviated Accounts
for the Year Ended 30 April 2016

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

These financial statements are prepared on a going concern basis. The use of the going concern basis of accounting is appropriate because there are no material uncertainties related to events or conditions that may cast significant doubt about the ability of the company to continue as a going concern.

Turnover

Turnover represents the net amounts invoiced to customers during the period less work in progress and net of value added tax.

Deferred tax

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in tax computations in periods different from those in which they are included in the financial statements. Deferred tax assets and liabilities are not discounted.

Dividends

Equity dividends are recognised when they become legally payable. Interim dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders.

Pension costs

The company operates a defined contribution pension scheme. Contributions to the scheme are charged to the profit and loss account in the period in which they become payable.

2. **DEBTORS: AMOUNTS FALLING DUE AFTER MORE THAN ONE YEAR**

The aggregate total of debtors falling due after more than one year is £311 (30.4.15 - £380).

3. **CALLED UP SHARE CAPITAL**

Allotted, issued and fully paid:

Number:	Class:	Nominal value:	30.4.16 £	30.4.15 £

Mr and Mrs Perkins have the controlling interest in the ordinary share capital of Specsavers International Healthcare Limited, the ultimate parent company. Specsavers International Healthcare Limited is a Guernsey registered company and its accounts are not available to the public.

Specsavers International Healthcare Limited is also the smallest and largest group of undertakings of which the company is a member and for which group financial statements are drawn up.

6. POST BALANCE SHEET EVENTS

The financial statements do not reflect dividends paid after the year ended 30 April 2016, which will be accounted for in the shareholders' equity as an appropriation of retained earnings in the year ended 30 April 2017. The company has controls in place to ensure that there are sufficient retained earnings to cover dividend payments based on the latest available management information at the dividend declaration date, so that the company remains in a net asset position.

The cost of disclosing and repeatedly updating the quantum of these dividends, right up to the date of signing the financial statements is therefore considered to exceed any benefit to the users thereof.
