LJL TRANSPORT LIMITED
NOTES TO THE ACCOUNTS
FOR TRADING PERIOD 1ST APRIL 1999 TO 31ST MARCH 2000

1 STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that Year. In preparing those financial statements, the directors are required to

select suitable accounting policies and then apply them consistently.

make judgement and estimates that are reasonable and prudent.

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements have been prepared under the historical cost convention in accordance with applicable Statements of Standard Accounting Practice in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, follows.

STATUS

The company is classified as a small company for the purposes of Financial Reporting Standard 1 and has taken advantage of the exemption from preparing a cash flow statement such companies are afforded.

TANGIBLE FIXED ASSETS

Tangible fixed assets are stated at valuation or at their purchase price, together with any incidental expenses of acquisition.

Depreciation is provided on all tangible fixed assets with a finite useful life, calculated to write off the cost of the asset over its estimated useful economic life. The annual rates used are:

Furniture & Equipment	25% reducing balance

2 PRINCIPAL ACCOUNTING POLICIES (CONT.)

TURNOVER

Turnover comprises the invoices raised by the company exclusive of value added tax.

TAXATION

The charge for taxation is based on the results for the year as adjusted for disallowable items. Tax deferred or accelerated is accounted for in respect of all material timing differences to the extent that it is probable that a liability or asset will crystallise. Timing differences arise from the inclusion of items of income and expenditure in tax computations in years different from those in which they are included in the accounts.
