DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing those financial statements the directors are required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act, 1985. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF VIRIDIAN INTERNATIONAL LIMITED

We have audited the financial statements of Viridian International Limited for the year ended 30 April 2004 on pages four to nine. These accounts have been prepared on the basis of the accounting policies set out therein.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described in the statement of directors' responsibilities, the company's directors are responsible for the preparation of the accounts in accordance with applicable United Kingdom law and accounting standards.

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom auditing standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

BASIS OF AUDIT OPINION

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

OPINION

In our opinion the accounts give a true and fair view of the state of affairs of the company as at 30 April 2004 and of its result for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985.

VIRIDIAN INTERNATIONAL LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2004

1 ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention in accordance with the following accounting policies:

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax

Tangible Fixed Assets

Tangible fixed assets acquired by the company have been capitalised at cost.

Depreciation of Tangible Fixed Assets

Depreciation is provided on tangible fixed assets except freehold land, at rates calculated to write off the cost less estimated residual value over the estimated useful life as follows:

Fixtures, fittings and equipment	- 20% reducing balance
Motor vehicles	- 20% reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost comprises the purchase cost plus the cost incurred in bringing each product to its present location or condition. Net realisable value is based on estimated selling price and further costs expected to be incurred.

Operating Leases

Rentals under operating leases, under which substantially all of the benefits and risks of ownership remain with the lessor, are charged against profits as incurred.

Finance Leases

Where the company enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a 'finance lease'. The asset is recorded in the balance sheet as a tangible fixed asset and is depreciated over its estimated useful life or the term of the lease, whichever ever is shorter. Future instalments under such leases, net of finance charges, are included within creditors. Rentals payable are apportioned between the finance element, which is charged to the profit and loss account, and the capital element.

Deferred Taxation

Deferred tax is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. The company has adopted a policy of discounting deferred tax liabilities.

Deferred taxation is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted, or substantively enacted, by the balance sheet date.

2 TURNOVER

The turnover and pre-tax loss are wholly attributable to the company's main activities.

Turnover attributable to geographical markets outside the United Kingdom amounted to 13% (2003 – 13%).

3 OPERATING LOSS

Is stated after charging:

	2004 £	2003 £
Depreciation:		
- owned assets	2,635	2,354
- leased	18,406	11,804
Auditors remuneration	5,000	5,000
