NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 MAY 2011

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents the amounts derived from the provision of goods and services falling within the company's ordinary activities, after deduction of trade discounts, value added tax and any other other taxes

Investment property

The Investment Properties are shown at their most recent valuation which is carried out by the directors Any aggregate surplus or deficit arising from changes in market value is transferred to a revaluation reserve If market value falls below cost the diminution in value is written off against revenue reserves

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in period different from those in which they are included in the company's accounts Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset

Deferred tax assets and liabilities are not discounted

2 INVESTMENT PROPERTY

The Investment Properties are valued at cost In the opinion of the directors this remains a fair value of the Properties at the balance sheet date and they do not consider that any adjustments for revaluations either upwards or downwards are necessary at this time The Properties continue to be held on a long term basis

3 CREDITORS

Creditors include an amount of £206,855 (31 5 10 - £206,855) for which security has been given
