Statement of the directors

In approving these financial statements the directors of the company hereby confirm:

- a) that we have taken advantage of the Companies Act 1985 in not having these accounts audited under section 249A(1);
- b) that no notice has been deposited under section 249B(2) of the Companies Act 1985;
- c) that we acknowledge our responsibilities for:
 - (i) ensuring that the company keeps accounting records which comply with section 221, and
 - (ii) preparing accounts which give a true and fair view of the affairs of the company as at the end of the financial period and of its profit or loss for the period then ended in accordance with the requirements of section 226 of the Companies Act and which otherwise comply with the provisions of the Act relating to accounts, so far as applicable to the company.

These accounts have been prepared in accordance with the special provisions within Part VII of the Companies Act 1985 relating to small companies and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

On behalf of the Board,

C P M Champness, Director

1 ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have been consistently applied within the same accounts.

a) Basis of preparation of the financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

b) Depreciation

Depreciation has been computed to write off the cost of tangible fixed assets over their expected useful lives using the following rates:

Office equipment - 25% per annum on the reducing balance basis

c) Deferred taxation

Deferred taxation is provided at the anticipated tax rates on the timing differences arising from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements to the extent that a liability or asset is expected to crystallise in the future.

d) Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet and are depreciated over their useful lives. Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
