Directors' report

The directors present their report and financial statements for the period ended 4 July 2002.

Results and dividends

The loss for the period after taxation amounted to £1,983,517 (5 July 2001 - loss £828,903). The directors do not recommend the payment of a dividend.

Principal activity and review of the business

The principal activity of the company is the operation of multiscreen cinemas in the United Kingdom.

The company performed as expected during the period. Following a review of the carrying value of fixed assets, the directors have included an impairment provision of £3.3million in these financial statements.

Directors and their interests

The directors during the period were as follows:

C J Gallaher

P E Foo

C M Aubrey (appointed 28 June 2002)

P F Garner (appointed 28 June 2002)

S C Kappen (appointed 28 June 2002)

G Livery (resigned 28 June 2002)

G W Burke (resigned 28 June 2002)

There are no directors' interests requiring disclosure under the Companies Act 1985.

Subsequent events

Effective 15 October 2003, the company sold the assets associated with its cinema operations in Nottingham, which resulted in a book loss of approximately £100,000. There have been no other material transactions, which significantly affect the financial or operational position of the company since the end of the financial year.

Auditors

In accordance with section 386 of the Companies Act 1985, a resolution to dispense with the obligation to appoint auditors annually was passed on 8 September 2001. Accordingly, Ernst & Young LLP will be deemed to be reappointed as auditors.

On behalf of the board

Statement of directors' responsibilities in respect of the financial statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditors' report

to the members of Village Theatres 3 Limited

We have audited the company's financial statements for the period ended 4 July 2002 which comprise the Profit and Loss Account, Statement of Total Recognised Gains and Losses, Balance Sheet and the related notes 1 to 20. These financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 4 July 2002 and of its loss for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the financial statements

at 4 July 2002

1. Fundamental accounting concept

The financial statements have been prepared on a going concern basis on the assumption that other group undertakings will continue to provide adequate financial support to the company to enable it to meet its liabilities as and when they fall due. The directors have no reason to believe that this financial support will not continue in the future and consider it appropriate to adopt a going concern basis. However, should support not be made available to the company, the going concern basis used in preparing the company's financial statements would be invalid and adjustments would have to be made to reduce the value of assets to their realisable amount, to provide for any further liabilities which might arise and to reclassify fixed assets as current assets.

2. Accounting policies

Accounting period

The company prepares financial statements for either 52 or 53 week periods ending within one week of 30 June.

Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards.

Statement of cash flows

The company has taken advantage of the exemption available under FRS 1 (revised) not to prepare a statement of cash flows, as it is a wholly owned subsidiary of another undertaking, whose consolidated financial statements, in which the company is included, are publicly available.

Tangible fixed assets

Depreciation is provided to write off the cost of tangible fixed assets over their estimated useful lives as follows:

Leasehold land and buildings	-	over 25 years (or the length of the lease, if shorter)
Computer and other equipment	-	5-10 years

The carrying values of tangible fixed assets are reviewed for impairment in periods where events or changes in circumstances indicate the carrying value may not be recoverable.

Stocks

Stocks, which comprise sundry supplies, are stated at the lower of cost and net realisable value.

Deferred taxation

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or right to pay less or to receive more, tax, with following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, or gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Notes to the financial statements

at 4 July 2002

2. Accounting policies (continued)

Deferred taxation (continued)

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date.

All differences are taken to the profit and loss account.

Pensions

The company is a member of the Time Warner UK Pension plan which requires contributions to be made to a separately administered fund. Contributions to this fund are charged to the profit and loss account so as to spread the cost of the pensions over the employees' working lives.

Variations in pension costs, which are identified as a result of actuarial valuations are amortised over the average expected working lives of employees in proportion to their expected payroll costs.

Lease commitments

Rentals paid under operating leases are charged to income on a straight line basis over the term of the lease.

3. Turnover

Turnover, comprises revenue from theatre admissions and sundry sales, excluding VAT, and all arises within the UK from continuing activities.

4. Operating loss

(a) This is stated after charging:

Notes to the financial statements

at 4 July 2002

7. Tax on loss on ordinary activities (continued)

(c) Factors that may affect future tax charges

The company has incurred taxable losses which are available to offset against future taxable profits. A deferred tax asset has not been recognised in respect of these losses as, based on budgets, the company does not anticipate taxable profits to arise within the immediate future. It is anticipated that the losses will gradually be recovered as the business moves into profit. The estimated value of the deferred tax asset not recognised, measured at a standard rate of 30% is £1,739,885 (2001 - £168,009)

Notes to the financial statements

at 4 July 2002

17. Pension

Village Theatres 3 Limited makes contributions on behalf of staff seconded from Warner Village Exhibition to the Time Warner UK Pension Plan, which is a defined benefit final salary scheme.

The scheme is self-administered and funded to cover past and future pension liabilities, including expected future earnings and pension increases, in respect of service up to the balance sheet date. The scheme is subject to independent valuations at least every three years, on the basis of which a qualified actuary certifies the rate of the employers' contributions which, together with the specified contributions payable by the employees and proceeds from the scheme's assets, are sufficient to fund the benefits payable under the scheme. The assets of the scheme are held in separately administered funds.

The last full actuarial valuation for the Time Warner UK Pension Plan was prepared as at 6 April 1999, and the valuation was updated at 29 November 2001.

The valuation showed that the assets at 6 April 1999 were adequate to secure 101% of the benefits payable to pensioners, members who had left service with deferred benefits and the benefits which contributing members had earned in respect of pensionable service to and pensionable salary at that date. As a result of this valuation, contributions from employees remain unchanged and employers' contributions were set at rates between 12.3% and 20.8% of pensionable salary depending on the division of the group the pension scheme member is employed by.

FRS17 requires that the pension schemes underlying assets and liabilities be allocated to the entities sponsoring the scheme. This allocation could not be done on a consistent and reasonable basis beyond a sub-group level for this scheme. Village Theatres 3 Limited has not been identified as one of these sub-groups. As a result, the defined benefit scheme has been accounted for as a defined contribution scheme in these financial statements. The sub-group in which the employees of the company have been included is Warner Bros. Theatres (Holdings) Limited.

18. Related party transactions

The company has taken advantage of the exemption available under FRS 8 not to disclose transactions with fellow group undertakings as it is a subsidiary of another undertaking which produces publicly available consolidated financial statements.

19. Ultimate parent undertaking and controlling party

The directors consider the ultimate parent undertaking and controlling party to be Village Roadshow Limited, a company incorporated in Australia.

The parent undertaking of the group of undertakings for which group financial statements are drawn up and of which the company is a member is Village Roadshow Limited. Copies of the financial statements can be obtained from the Secretary, Village Roadshow Limited, Warner Roadshow Studios, Pacific Highway, Oxenford, Queensland, 4210 Australia.

20. Subsequent Events

Effective 15 October 2003, the company sold the assets associated with its cinema operations in Nottingham, which resulted in a book loss of approximately £100,000. There have been no other material transactions, which significantly affect the financial or operational position of the company since the end of the financial year.
