T-Mobile Holdings Limited

Directors' report For the year ended 31 December 2012

The directors present their report and the audited financial statements of the Company for the year ended 31 December 2012

Principal activity

The Company's principal activity was that of a holding company. This is not expected to change in the coming year.

Business review & Future developments

The Company originally invested in the mobile telecommunications market through the acquisition of its principal investment, T-Mobile (UK) Limited ('TMUK') and by funding the acquisition of the third generation mobile service licence ('the 3G Licence') by TMUK.

In 2009 the Company's ultimate parent Company, Deutsche Telekom AG ('DT'), signed a joint venture agreement ('JVA') with France Telecom SA ('FT'). Under the JVA, the TMUK mobile telephony business of DT and FT's Orange UK telephony and broadband businesses ('OUK') were merged to form a UK joint venture ('JV'). The JV is called Everything Everywhere ('EE') and is 50% owned by DT, through its holding in T-Mobile Holdings Limited, and FT.

As set out in the JVA, it remains the intention of EE

- continue to trade using existing brands from the date of completion,
- deliver significant reductions in operating expenses and capital expenditure through integrating activities and rationalising the enlarged network to deliver synergy benefits,
- finance independently of and without further support from or resource to, the parent companies, and
- distribute 90% of its annual free cash flow to the parents by way of dividend.

During the year the following dividends were received by TMH from EE and on the same day the Company made a corresponding dividend payment to T-Mobile Global Holding GmbH ('TMGH'), its immediate parent company.

29 th March 2012	£146,500,000
28 th June 2012	£125,000,000
25 th September 2012	£95,500,000

The directors anticipate that the Company will continue to receive dividends from its investment in EE and to further distribute this income to TMGH on a bi-annual basis.

Given the straightforward nature of the business, the Company's directors are of the opinion that analysis using key performance indicators is not necessary for the understanding of the development, performance or position of the business.

Results and dividends

The profit for the financial year, after taxation, amounted to £366,948,000 (2011: £432,978,000).

During the year the directors recommended and paid a dividend of £367,000,000 (2011: £433,000,000).

Directors

The directors who served during the year and up to the date of signing of the financial statements were

U. Kuehbachner
N. McLean
G. Heidbrink
Y. Fern

There were no contracts in which the directors have an interest at the end of the year.

Directors' report For the year ended 31 December 2012

Independent auditors

Ernst and Young LLP resigned as auditors on 4th January 2012 and Pricewaterhouse Coopers LLP was appointed in their place

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

So far as each of the directors is aware at the time the report is approved

- there is no relevant audit information of which the Company's auditors are unaware, and
- the directors have taken all the steps that they ought to have taken in their duty as directors to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information

This report was approved by the board on the 27 March 2013 and signed on its behalf

T-Mobile Holdings Limited

Independent Auditors' Report to the members of T-Mobile Holdings Limited

We have audited the financial statements of T-Mobile Holdings Limited for the year ended 31 December 2012 which comprise the Profit and Loss Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- Give a true and fair view of the state of the Company's affairs as at 31 December 2012 and of its profit for the year then ended,
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- Have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- Adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- The financial statements are not in agreement with the accounting records and returns, or
- Certain disclosures of directors' remuneration specified by law are not made, or
- We have not received all the information and explanations we require for our audit, or

T-Mobile Holdings Limited

Notes to the financial statements For the year ended 31 December 2012

1 Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared on the going concern basis under the historical cost convention, in accordance with the Companies Act 2006 and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenditure during the reporting period. Estimates are used principally when accounting for impairment of fixed assets and taxes.

The financial statements contain information about TMH as an individual company and do not contain consolidated financial information as the parent of a group. The directors have taken into consideration the Joint Venture between Deutsche Telekom AG and France Telecom SA when evaluating the appropriate accounting policies for the period. As part of this process, the directors have reviewed the treatment of their fixed asset investment with respect to the change in investment from 100% of TMUK to 50% of the enlarged JV (EE). In particular the directors have evaluated that the accounting policies reflect FRS 9 'Associates and joint ventures', for an entity jointly controlled.

1.2 Going concern

At the balance sheet date the Company has net current assets of £216,000. Following a review by the directors these assets are expected to cover any future liabilities payable in the next 12 months from the approval of these financial statements.

In addition the following was noted in the related JV investment:

- so far as practicable the activities of Everything Everywhere Limited are financed from its own resources with no recourse to the parents or any of their associated companies,
- no parent shall be obliged to provide any guarantee or security for any indebtedness of Everything Everywhere Limited or to provide any further capital to it,
- Everything Everywhere Limited may require further finance to fund its projected cash requirements,
- Everything Everywhere Limited may borrow additional sums from third parties on the most favourable terms compatible with its needs but without guarantee or recourse from the parents,
- Everything Everywhere Limited will repay all loan amounts due to the Parents under the initial Rebalancing/Shareholder Loan Agreements in accordance with the agreed terms, and
- 90% of Everything Everywhere Limited's prospective annual free cash flow will be distributed to the Parents by way of dividends.

Consequently, the directors do not expect any obligations to arise for at least 12 months from the approval of the financial statement, other than the Company's own direct obligations. With this expectation and positive net assets, the board of directors consider that it remains appropriate for the Company's financial statements to be prepared on a going concern basis.

The accounting policies, which have been applied consistently throughout the year are set out below.

T-Mobile Holdings Limited

Notes to the financial statements For the year ended 31 December 2012

1 Accounting policies (continued)

1.3 Cash flow statement

The Company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to prepare a cash flow statement in accordance with FRS 1 "Cash flow statements (revised 1996)"

1.4 Fixed asset investments

Fixed asset investments are recorded at cost plus incidental expenses less any provision for impairment

1.5 Impairment of fixed assets investments

In accordance with FRS 11 - 'Impairment of fixed assets and goodwill', the Company's fixed assets investments are reviewed for impairment if events or changes in circumstances indicate that the carrying value may not be recoverable. When a review for impairment is conducted, the recoverable amount is assessed by reference to the net present value of the future cash flows anticipated from the relevant group of assets, or their disposal value if higher. When it is determined that the carrying value exceeds the recoverable amount the excess is written off to the profit and loss account. Also in accordance with FRS 11, annual 'look back' tests are performed on each impairment review that has been conducted in the five years preceding the balance sheet date. Any impairment identified is recognised in the current period unless the impairment has reversed and the reversal of the loss is permitted in accordance with FRS11.

1.6 Consolidation

Under Section 400 of the Companies Act 2006, the Company is exempt from preparing consolidated financial statements as the Company is included in the consolidated financial statements of the ultimate parent Company, Deutsche Telekom AG. Deutsche Telekom AG is incorporated in Germany, a member state of the European Union and its audited financial statements are drawn up to 31 December 2012, and which are publicly available.

2 Operating loss

Auditors' remuneration for the year totalled £25,560 (2011: £23,577) for audit services.

3 Staff costs

The Company has no employees (2011: none).

4 Directors' emoluments
