Y. Fern
W.Kniese (Appointed 15th March 2014)

There were no contracts in which the directors have an interest at the end of the year.

Independent auditors

PricewaterhouseCoopers LLP have been appointed as auditors.

Post balance sheet events

On 27th March 2014 the directors of EE Limited recommended and approved an interim dividend of £392 million be paid to its shareholders on 27th March 2014. By virtue of its 50% interest in EE Limited, T-Mobile Holdings Limited's share is £196 million, which is remitted to its immediate shareholder, T-Mobile Global Holding GmbH, on the same day as receipt.

T-Mobile Holdings Limited

Directors' report For the year ended 31 December 2013

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

So far as each of the directors is aware at the time the report is approved:

- there is no relevant audit information of which the Company's auditors are unaware, and
- the directors have taken all the steps that they ought to have taken in their duty as directors to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This report was approved by the board of directors and signed on its behalf on 14th May 2014.

T-Mobile Holdings Limited

Strategic report For the year ended 31 December 2013

Strategy

The Company's strategy is to continue acting as a holding company.

Business review & future developments

The Company originally invested in the mobile telecommunications market through the acquisition of its principal investment, T-Mobile (UK) Limited ('TMUK') and by funding the acquisition of the third generation mobile service licence ('the 3G Licence') by TMUK.

In 2009 the Company's ultimate parent Company, Deutsche Telekom AG ('DT'), signed a joint venture agreement ('JVA') with France Télécom SA ('FT'). Under the JVA, the TMUK mobile telephony business of DT and FT's Orange UK telephony and broadband businesses ('OUK') were merged to form a UK joint venture ('JV'). The JV is called EE and is 50% owned by DT, through its holding in T-Mobile Holdings Limited, and FT.

As set out in the JVA, it remains the intention of EE:

- continue to trade using existing brands from the date of completion;
- deliver significant reductions in operating expenses and capital expenditure through integrating activities and rationalising the enlarged network to deliver synergy benefits;
- finance independently of and without further support from or resource to, the parent companies; and
- distribute 90% of its annual free cash flow to the parents by way of dividend.

During the year the following dividends were received by TMH from EE and on the same day the Company made a corresponding dividend payment to T-Mobile Global Holding GmbH ('TMGH'), its immediate parent company

27 th March 2013	£94,500,000
26 th September 2013	£79,500,000
20 th December 2013	£55,000,000

The directors anticipate that the Company will continue to receive dividends from its investment in EE and to further distribute this income to TMGH.

Principal risks and uncertainties

The principal risk for the Company is the value of its investment in EE. The JVA sets out DT's direct involvement in the JV and ensures that DT management have a full understanding and influence on the future performance of this investment.

Key performance indicators

Given the straightforward nature of the business, the Company's directors are of the opinion that analysis using key performance indicators is not necessary for the understanding of the development, performance or position of the business.

This report was approved by the board of directors and signed on its behalf on 14th May 2014.

Report on the financial statements

Our opinion

In our opinion the financial statements, defined below:

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

This opinion is to be read in the context of what we say in the remainder of this report.

What we have audited

The financial statements, which are prepared by T-Mobile Holdings Limited comprise:

- the Balance Sheet as at 31 December 2013;
- the Profit and Loss Account for the year then ended;
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Directors' Report and Strategic Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report and Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

T-Mobile Holdings Limited

Independent Auditors' Report to the members of T-Mobile Holdings Limited

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of directors' responsibilities set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

N. McLean
Director

T-Mobile Holdings Limited

Notes to the financial statements For the year ended 31 December 2013

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared on the going concern basis under the historical cost convention, in accordance with the Companies Act 2006 and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenditure during the reporting period. Estimates are used principally when accounting for impairment of fixed assets and taxes.

The financial statements contain information about T-Mobile Holdings Limited ("TMH") as an individual company and do not contain consolidated financial information as the parent of a group. The directors have taken into consideration the Joint Venture ("JV") between Deutsche Telekom AG and France Télécom SA ("the parents") when evaluating the appropriate accounting policies for the period. In particular the directors have evaluated that the accounting policies reflect FRS 9 'Associates and joint ventures', for an entity jointly controlled

1.2 Going concern

At the balance sheet date the Company has net current assets of £169,000. Following a review by the directors these assets are expected to cover any future liabilities payable in the next 12 months from the approval of these financial statements.

In addition the following was noted in the related JV investment:

- so far as practicable the activities of EE Limited are financed from its own resources with no recourse to the parents or any of their associated companies;
- no parent shall be obliged to provide any guarantee or security for any indebtedness of EE Limited or to provide any further capital to it;
- EE Limited may require further finance to fund its projected cash requirements;
- EE Limited may borrow additional sums from third parties on the most favourable terms compatible with its needs but without guarantee or recourse from the parents;
- EE Limited will repay all loan amounts due to the parents under the initial Rebalancing/Shareholder Loan Agreements in accordance with the agreed terms; and
- 90% of EE Limited's prospective annual free cash flow will be distributed to the parents by way of dividends.

Consequently, the directors do not expect any obligations to arise for at least 12 months from the approval of the financial statement, other than the Company's own direct obligations. With this expectation and positive net assets, the board of directors consider that it remains appropriate for the Company's financial statements to be prepared on a going concern basis.

The accounting policies, which have been applied consistently throughout the year are set out below.

T-Mobile Holdings Limited

Notes to the financial statements For the year ended 31 December 2013

1. Accounting policies (continued)

1.3 Cash flow statement

The Company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to prepare a cash flow statement in accordance with FRS 1 "Cash flow statements (revised 1996)".

1.4 Fixed asset investments

Fixed asset investments are recorded at cost plus incidental expenses less any provision for impairment.

1.5 Impairment of fixed assets investments

In accordance with FRS 11 - 'Impairment of fixed assets and goodwill', the Company's fixed assets investments are reviewed for impairment if events or changes in circumstances indicate that the carrying value may not be recoverable. When a review for impairment is conducted, the recoverable amount is assessed by reference to the net present value of the future cash flows anticipated from the relevant group of assets, or their disposal value if higher. When it is determined that the carrying value exceeds the recoverable amount the excess is written off to the profit and loss account. Any impairment identified is recognised in the current period unless the impairment has reversed and the reversal of the loss is permitted in accordance with FRS11.

1.6 Consolidation

Under Section 400 of the Companies Act 2006, the Company is exempt from preparing consolidated financial statements as the Company is included in the consolidated financial statements of the ultimate parent Company, Deutsche Telekom AG. Deutsche Telekom AG is incorporated in Germany, a member state of the European Union and its audited financial statements are drawn up to 31 December 2013, and which are publicly available.

2. Operating loss

Auditors' remuneration for the year totalled £25,050 (2012: £25,560) for audit services.

3. Staff costs

The Company has no employees (2012: none).

4. Directors' emoluments

None of the directors received any remuneration in respect of their services as directors of the Company. There were no contracts of significance existing during, or at the end of, the year ended 31 December 2013 (2012: £nil) in which a director had a beneficial interest.
