NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 JANUARY 2012

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007) and United Kingdom Generally Accepted Accounting Practice for Smaller Entities

The accounts have been prepared on a going concern basis which assumes that the company will continue to trade for the foreseeable future. The validity of this assumption is dependent upon the continued support of the director. If the company were unable to continue to trade, adjustments would have to be made to reduce the value of assets to their recoverable amount, to provide for any further liabilities that might arise and to reclassify fixed assets and long term liabilities as current assets and liabilities.
