PRAEFINIUM PARTNERS LIMITED

STRATEGIC REPORT FOR THE YEAR ENDED 31 DECEMBER 2013

The directors present their Strategic Report for the year ended 31 December 2013.

Principal Activity

The principal activity of the company is that of asset management and the provision of investment advice.

Review of Business and Future Developments

We aim to present a balanced and comprehensive review of the development and performance of our business during the year and its position at the year end. Our review is consistent with the size and non-complex nature of our business and is written in the context of the risks and uncertainties we face.

The results for the year and the financial position of the company are as shown in the annexed financial statements and are considered satisfactory by the directors and in line with expectations.

The company is authorised and regulated by the Financial Conduct Authority (FCA) to undertake all activities relating to fund and asset management as well as investment advisory. The investment managers were Mr. Alpesh B. Patel, Dr. Ajay P. Singh and Mr. Nayan Srivastava. The company receives investment management fees and consultancy fees for investment advice.

During the year the company continued to act as the investment advisor to Praefinium SICAV-FIS and to Universal Premium Fund SICAV-FIS: both are investment funds domiciled in the Grand Duchy of Luxembourg and supervised by the Commission de Surveillance du Secteur Financier (CSSF). The investment advisory and investment management services provided to the investment funds were the company's main source of income.

The general market environment led to lower turnover and the company responded by further reducing overhead expenses.

The directors consider that the key financial risk exposure faced by the company relates to the need to maintain sufficient liquidity to satisfy regulatory capital requirements and working capital needs.

Results

The results of the year's trading and the financial position of the company are shown in the annexed accounts.

Key performance indicators for the company are as follows:

	2013	2012
	£	£
Turnover for the year	267,032	381,443
Loss for the year before tax	(22,860)	(54,333)

PRAEFINIUM PARTNERS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2013

The directors present their report and the financial statements of the company for the year ended 31 December 2013. Certain matters that should be disclosed in this report are instead disclosed in the Strategic Report in accordance with Section 414C (11) Companies Act 2006.

Statement of the Directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Company Law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors

Statement of Disclosure of Information to Auditor

We, the directors of the company who held office at the date of approval of these Financial Statements as set out above each confirm, so far as we are aware, that:

- there is no relevant audit information of which the company's auditor is unaware; and
- we have taken all the steps that we ought to have taken as directors in order to make ourselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

PRAEFINIUM PARTNERS LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PRAEFINIUM PARTNERS LIMITED

We have audited the financial statements of Praefinium Partners Limited for the year ended 31 December 2013 which comprise the Profit and Loss Account, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors

Scope of the audit

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view, of the state of the company's affairs as at 31 December 2013 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors remuneration specified by law are not made; or
- we have not received all of the information and explanations we require for our audit.

PRAEFINIUM PARTNERS LIMITED

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2013

1. ACCOUNTING POLICIES

The accounts have been prepared in accordance with applicable accounting standards. There were no material departures from those standards.

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention.

The effects of events in relation to the year ended 31 December 2013 which occurred before the date of approval of the financial statements by the Board of Directors, have been included in the statements to the extent required to show a true and fair view of the state of affairs at 31 December 2013 and of the results for the year ended on that date.

Going Concern

The company is affiliated to the Praefinium Group and has been designated as the sole investment adviser for two Praefinium funds. This affiliation and appointment is expected to produce positive returns and cash flows in the future and, in the meantime, the Praefinium Group continues to informally assist in the financial support of the company. For this reason, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Depreciation

Depreciation has been computed to write off the cost less estimated residual value of the tangible fixed assets over their expected useful lives using the following rates:

Fixtures, fittings and computer equipment	- 15% to 33% per annum of cost
---	--------------------------------

Deferred Taxation

Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in full in respect of all material timing differences.

A net deferred tax asset is regarded as recoverable and therefore recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Foreign Exchange

Transactions denominated in foreign currencies are translated into sterling and recorded at the rate of exchange ruling at the date of the transaction.

Balances at the year end denominated in a foreign currency are translated into sterling at the rate of exchange ruling at the balance sheet date.

Losses and profits on foreign exchange are taken to the Profit and Loss account.

Leasing

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

PRAEFINIUM PARTNERS LIMITED

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2013 (CONT)

2. TURNOVER

The company's turnover represents the value, excluding Value Added Tax, of services supplied to customers during the year. Turnover from the supply of services represents the value of services provided under contracts to the extent that there is a right to consideration and is recorded at the value of the consideration due. Where a contract has only been partially completed at the balance sheet date turnover represents the value of the service provided to date based on a proportion of the total contract value.

The analysis of turnover by geographical area is as follows:

	2013 £	2012 £
Asia	120,450	66,193
Europe	139,082	302,750
North America	7,500	12,500

7. TAXATION

There is no tax charge for the year (2012 nil). At 31 December 2013 tax losses carried forward for offset against future trading profits are £116,000 (2012 £95,000).

Factors affecting tax charge for the period

The tax assessed for the year is higher (2012 higher) than the small companies rate of corporation tax in the UK (20 %). The differences are explained below:

	2013	2012
	£	£
Loss on ordinary activities before tax	(22,860)	(54,333)
Loss on ordinary activities multiplied by standard rate of corporation tax in the UK of 20% (2012 - 20%)	(4,572)	(10,867)
