1.2. Turnover

Turnover represents the amounts received or receivable for goods and services provided to customers, excluding VAT

1.3. Tangible fixed assets and depreciation

Plant and machinery	-	20% Straight Line
Fixtures, fittings and equipment	-	20% Straight Line
Motor vehicles	-	25% Straight Line

1.4. Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. 1.6. Pensions

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions:

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.
