1. ACCOUNTING POLICIES

Basis of preparing the financial statements
The company relies totally on the continued support of its creditors. Should this cease then the company will have to be liquidated. However, whilst there are no guarantees, the director has no reason to believe that these debts will be called in in the immediate future. The company has minimal assets, the break up value of which would not be significantly dissimilar from that stated in the accounts.

Accounting convention
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 25% on reducing balance
