Notes to the Abbreviated Accounts

Year Ended 30 June 2012

1. Accounting Policies

(a) Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

(b) Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax

(c) Amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

Goodwill - 20 years

(d) Fixed assets

All fixed assets are initially recorded at cost

(e) Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

Plant & Machinery	- 25% Reducing balance
Motor Vehicles	- 25% Reducing balance
Equipment	- 25% Reducing balance

(f) Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

(g) Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account at a constant rate of charge on the balance of capital repayments outstanding

6 Going Concern

The directors have prepared the financial statements on a going concern basis which is reliant upon the continued support of the company directors. In the event that the company could not continue on a going concern basis then adjustments would have to be made to reduce the value of assets to their recoverable amounts, to provide further liabilities which might arise and reclassify fixed assets as current assets
