Notes to the Abbreviated Accounts For the year ended 31 January 2011

1 Accounting Policies

1.1 Accounting Convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of property and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), and includes all the results of the company's operations as indicated in the director's report, all of which are continuing

1.2 Deferred Taxation

Deferred taxation is provided at appropriate rates on all timing difference using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

1.3 Tangible Fixed Assets

Investment properties have been revalued as required by SSAP 19. No depreciation has been provided, which represents a departure from the Companies Act requirements. The effect of this has not been quantified due to the lack of information on the split of land and buildings

1.4 Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

- Computer Equipment 25% reducing balance

1.5 Turnover

Turnover represents income of the company from its principal activity
