STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law in the United Kingdom requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business; and
- state whether applicable United Kingdom accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for ensuring that the Director's Report and other information included in the Annual report is prepared in accordance with company law in the United Kingdom.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDER

We have audited the financial statements on pages 6 to 14.

This report is made solely to the company's shareholder, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's shareholder those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholder as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of director and auditors

The director's responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and have been properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Director's Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and transactions with the company is not disclosed.

We read the Director's Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 30 November 2005 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

a) Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards.

b) Fixed assets

Fixed assets are recorded at cost.

Depreciation is calculated so as to write off the cost of an asset less its estimated residual value over the useful economic life of that asset as follows:

Office and computer equipment	-	1-3 years
-------------------------------	---	-----------

Furniture and fittings	-	3 years
------------------------	---	---------

c) Taxation

The payment of taxation is deferred or accelerated because of timing differences between the treatment of certain items for accounting and taxation purposes. Full provision for deferred taxation is made under the liability method, without discounting, on all timing differences that have arisen, but not reversed by the balance sheet date, unless such provision is not permitted by Financial Reporting Standard 19.

e) Foreign currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken to the profit and loss account.

f) Investments

Investments are held at cost less any permanent diminution.

g) Operating leases

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the period of the leases.

2. TURNOVER

Turnover is attributable to one continuing activity that of a service company. All income is generated in the United Kingdom and is computed on the basis of expenses incurred plus a mark-up.

3. OPERATING PROFIT

Operating Profit is arrived at after charging:

	Year to 30 November 2005 £	Year to 30 November 2004 £
