1	Accounting policies	
1.1	Accounting convention	The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).
1.2	Compliance with accounting standards	The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).
1.3	Turnover	Turnover represents amounts receivable for goods and services net of VAT and trade discounts.
1.4	Goodwill	Acquired goodwill is written off in equal annual instalments over its estimated useful economic life.
1.5	Tangible fixed assets and depreciation	Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:
	Land and buildings Freehold	Nil
	Plant and machinery	25% reducing balance
	Motor vehicles	25% reducing balance
	No depreciation is provided in respect of freehold land and buildings. The director does not believe that any depreciation is applicable as the freehold is maintained in a good state of repair such that the residual value would produce an immaterial depreciation charge. This is contrary to the Companies Act 2006 and Financial Reporting Standard 15.
